Re: CBC's Annual Report to the CRTC
For the Broadcast Year 2001 - 2002

Dear Ms. Rhéaume:

Enclosed please find the CBC's second Annual Report on the performance of the services that were granted 7-year licence terms by the Commission on January 6, 2000.

This report includes an overview document that summarizes the overall performance and achievements of CBC services during the second year of the licence term. Also included are separate reports detailing the results for each of CBC's English and French Radio and Television networks and their local television stations, and the specialty services of CBC Newsworld and Le Réseau de l'Information (RDI) for the broadcast year ending 31 August 2002.

Sincerely,

Lanny Morry
