   - Inter-City Bus (ICB)

Apply

Registrar, Passenger Transportation

SA Applications

Passenger Transportation Board

Publish applications & receive submissions*

GA Applications

Investigate PDV & ICB applications

Option 2: PT Board directs Registrar to investigate application

Process Options:

1. Make decision based on application and submissions
2. Investigate application or direct Registrar to investigate
3. Conduct an application hearing

Registrar's Investigation Report

Process Applications:

1. Prescribed Requirements (CVIP)
2. Safety Certificate
3. Insurance
4. Not subject to Enforcement Order

Considerations:

1. Application promotes sound economic conditions in industry
2. Public need for transportation
3. Applicant is fit & capable

Approval of SA in whole or in part

1. Set SA terms & conditions;
2. Approve or set rates for PDVs

PT Board notifies applicant and Registrar

Refusal

Unsatisfactory Application

Satisfactory Application

Nothing Issued

Registrar issues PT licence with general and/or Board-approved special authorization(s), and for each vehicle, an identifier (plate/decal) and Vehicle Identification Certificate (VIC).

**Some applications for special authorization may be processed by the Board on an urgent public need basis without advance publication or receipt of submissions.*

Notice of Refusal
To: Applicant and Registrar
