INTRODUCTIONS

- Don't allow yourself to be deceived any longer. These activists are not morally upright citizens, concerned about the best interests of our society. They are perverse, self-centered and morally deprived individuals who are spreading their psychological disease into every area of our lives. Homosexual rights activists and those that defend them, are just as immoral as the pedophiles, drug dealers and pimps that plague our communities.

  The homosexual agenda is not gaining ground because it is morally backed. It is gaining ground simply because you, Mr. and Mrs. Heterosexual, do nothing to stop it. It is only a matter of time before some of these morally bankrupt individuals such as those involved with NAMBLA, the North American Man/Boy Lovers Association, will achieve their goal to have sexual relations with children and assert that it is a matter of free choice and claim that we are intolerant bigots not to accept it.

  If you are reading this and think that this is alarmist, then I simply ask you this: how bad do things have to become before you will get involved? It's time to start taking back what the enemy has taken from you. The safety and future of our children is at stake.

Guest	These are not human beings , they are sexual perverts in the the category as pedophiles , beastiality , S&M etc. Why in the world of descent morals must the majority of the poppulation be subjected to sexual divients like homosexuals? It is a SEX thing. Why give them special status that normal Canadians enjoy? Just because they choose a perverted lifestyle , we should not be forced by our Goverment to accept it. What is the next sexual perverted vote our politicians will go after next? * If all they base it on is their perverted sex then a man or woman should be allowed to marry dozens of spouces. * A father marrying his adult daughters? * Pedophiles marrying their victims? Our Goverment knows that the White poppulation [outside of seniors] does not vote. So the govt. gives all these gifts of special handouts to "special interst groups "[whatever that means] so they can get their vote. They know we are disinfranchised with the lousy way of life we are given by our govt. They give more then 60% of all grant money , govt. loans etc. to non-whites , who make up a lousy 14% of the poppulation . Not including all the ileagal's.

It's sad u've had the problems in your family Canadian Kitten. I will not judge you by this, however you may take offence to my views. Homosexuality may be a disease a genetic thing in some but I also think it's becomeing a fad. I think people are becoming homosexuals to be different. I believe no matter how or why you are a homosexual your life should be terminated. This is not right. Nature intended us to breed in order for us to continue our race. There is nothing natural about being a hoimosexual, it is for purely sexual reasons. They should be terminated along with retards and any other degenerates that nature would do away with in the wild. What gives us the right to prolong a life that would have been terminated by nature.

If we keep teaching people and allowing these stoopid parades more and more people with think it's acceptable to be gay. This is wrong, we must teach people it is wrong. How can you turn something so wrong and filthy into something acceptable. Nature intended for males to mate with females anything else is a perverted sickness that needs to be destroyed.

Welcome To Western Canda For Us

Western Canada For Us fights for Freedom of Speech and Immigration Reform. We also believe Euro-Canadians are fast becoming the minority in Canada and we want to stop this decline and preserve our heritage and history. Because we are not a political party or religious group WCFU can act as an umbrella group for other organizations. We can and do work with other groups and organizations to provide support and unity.

United we are a voice to be heard in Western Canada.

Our goal is to unite the western provinces, (British Columbia, Alberta, Saskatchewan and Manitoba) in an effort for Euro-Canadians to have a voice in Western Canada. We are an active group which means we hold protests and demonstrations, distribute literature and hold monthly meetings. Each Western province is headed by a chapter providing local support and membership. The Alberta Chapter is the head Chapter of WCFU. This is where all final decisions are made.

Discussing exclusion of Jews in a golf and country club

Jews not welcome at Golf course.

WhiteEuroCanadian Guest	Wed Mar 10 2004, 12:13PM The Rosedale Golf Club made it clear in 1996 that the club would block G.Cohon to join because it could result in a wave of applications by Jews. Cohon a Jew who is the founder and chairman of McDonalds Rest. in Canada. [Looks like I ate my last thing from McDonalds]. F.Newbound the director of the club stated "it would be opening the floodgates to have Jews members at Rosedale". Unfourtunatly the Golf Club showed courage and stood their ground on blacklisting Jews from their Super Rich Golf Club only up to 1997 when the new rules allowed Cohon the Jew to join. The moral of this story is that some of the Richest people in Canada openly practiced anti-Semitism as early as 7 years ago. These are the rich contributors that are still pro-white. It gives one hope for a better future when you see some of the countrys richest and most powerful white people openly being anti-Jew. They are the ones in position to see how Jews corrupt businesses and our way of life.

A black man comes here to raise a family, work, pay his taxes and live by the law (mind you only one of 500 black men actaully live like this after immagrating here). A "nigga" will go around rapping 12 year old girls, just cause they like "white meat". This is not acceptable. A "nigga" would sell crack, smack or some other addictive drug to our 10 year old sons, which in turn will make then lie, steal, cheat to get there next "fix". This is not acceptable. But i will give you this, the only good Arabic is a dead Arabic. Personaly i can't hate someone that has never done nothing to me, or mine. I can't just hate a 6 year old child playing in the snow. I can, and am. A proud white man though. Jews on the other hand i can hate, They where the morons that came up with the great idea of mixing races/cultures. Has history taught us nothing? Every conflict, every war has been caused by mixing cultures/races. Jews know this, and yet they still continue to promote mixing. The world would be a way better place if every race/culture would stay in there country and find some way to harvest there natural resourse. But that would be a purfect world. I think what SS-88 intended to type was racialist.
It sounds reasonable to differentiate Black folk from "niggas", if by "niggas" you meant to say the more proper -"ni**ers". Sadly that was my attitude towards the separate classifications between Negroes. But as my logic became clearer through experience/contact, I found that it doesn't matter how White society molds the Cro-Magnon man into. They still retain what's in their nature, as does instincts of the dog or the chimpanzee. And the instincts of the Negroe cannot be altered unless blended with a species of a more civilized nature e.g. a member of the White species. Therefore, it is better to resort to Serephanie's more logical theory of "a ni**er is a ni**er"

Jews are evil, born from the depths of hell its self

" It is necessary that i should die for my people, but my spirit will rise from the grave and the world will know I was right! "

Adolf Hitler 1945

- This war is a racial war. The Jews started it and they direct it. Their goal to destroy and exterminate our people. We are the only force standing between Jewry and world domination. If the Axis powers lose the war in Europe, no power on earth could save Europe from the Jewish-Bolshevist flood. It may seem surprising that such a small minority possesses such great power and is such a deadly danger. But it is so. International Jewry uses certain criminal methods to gain world domination that are not evident to uneducated nations.

- We are dealing with the most dangerous enemy that ever threatened the life, freedom, and dignity of humanity. There can be no mercy. We have pity only for the countless millions of our own people and those of other European nations who will be given over to the hate and destructive will of this devilish race if we become weak and give up the battle. Those Philistines who today are so eager to protect the Jews would be their first victims.

Molotov cocktail attacks against synagogues called hate crimes

CHRIS PURDY
AND IAN WILLIAMS
Journal Staff Writers
EDMONTON

Officials at two synagogues struck by Molotov cocktails early Wednesday say the bombings were hate crimes.

"It's not a Halloween prank," said Marvin Abugov, a board member with Beth Israel Synagogue in the west end.

"That's an egg or washing a window with soap.

"This is an attack against the synagogue."

The Beth Israel, a new $5-million synagogue on Wolf Willow Road in the west end, was just finished in May.

"We've poured our hearts and our souls into this new synagogue," said Abugov.

"It just doesn't make sense to us.".

Police said two Molotov cocktails were tossed at one of the windows about 3 a.m. A small fire was put out by firefighters.

The outside pane was broken and there was minor smoke and fire damage to three windows. Abugov said it will cost at least $1,000 for repairs.

About two hours earlier, the Beth Shalom Synagogue on Jasper Avenue at 119th Street was also hit with a firebomb.

Police found two glass containers on the ground at the bottom of one wall.

One container was a Molotov cocktail, while the other was empty. A brick wall and a shrub were slightly burned.

ED KAISER, THE JOURNAL

Marvin Abugov, board member at Beth Israel Synagogue, points out damage to a window in attack.

Neil Loomer, ritual director with the synagogue, said the building is still stained with black splotches from another firebomb attack three weeks ago.

"We have to consider this a hate-crime," he said.

Police spokesperson Dean Parthenis said investigators aren't sure if the attacks are connected and what the motive might be.

"We are baffled as to who or why it might have done," he said. "At this time there is no indication that this was a gang-related incident." There were no phone calls or notes left behind from a person or group claiming responsibility for the fire-bombs.

Loomer said he didn't want to speculate whether the attacks were politically motivated by recent ethnic clashes on the West Bank.

"I hope it has nothing to do with the Middle East," he said. "I have close relations with people in the Muslim community and we all get along fine."
