YUKON RESEARCH AND DEVELOPMENT TAX CREDIT (INDIVIDUALS)

Use this form to calculate your Yukon research and development (R&D) tax credit.
If you are completing a return for a corporation, use Schedule 442 of the T2 return.

Form T1232 has to be filed no later than 12 months after your filing due date for the year in which the expenditures were incurred.

You may qualify if you made eligible expenditures in the tax year for scientific research and experimental development carried out in Yukon. You must have been a resident in Yukon on the last day of the tax year to qualify.

An **eligible expenditure** is one that meets the definition under "qualified expenditure" in subsection 127(9) of the federal *Income Tax Act*.

The Yukon R&D tax credit is applied against your total tax payable on line 435 of your return, and any remaining balance is refunded.

Please give details of your expenditures on a separate sheet of paper.
Attach it and a completed copy of this form to your return.
