

YOUTH VOTER DAY | JANUARY 13TH

In any state, democratic or totalitarian, the rulers rely on consent. They have to make sure that the people they are ruling do not understand that they actually have the power. That is the fundamental principle of government.

- Noam Chomsky on what citizens of democracy can do to protect themselves.

Together, let's show the government who's in power.
Vote Green on January 13th!

*We need you to
make your voice heard
on your day*
