1. Any person who wishes to run as a candidate must be qualified as an elector (be at least 18 years old on election day and hold Canadian citizenship). Section 65 of the *Canada Elections Act* lists persons who are ineligible to run as candidates.
2. The name in this box must be written EXACTLY as the candidate wishes it to appear on the ballot paper. A hyphenated family name must be wholly contained in the box reserved for the surname. The returning officer cannot make any changes to this information on his or her own initiative.

The *Canada Elections Act* DOES NOT PERMIT (paragraph 66(2)(a)) the candidate's name to be accompanied by any

- prefixes (such as titles, The Honourable, The Hon., Dr., etc.); or
- suffixes (such as degrees, military decorations, etc.).

The *Canada Elections Act* PERMITS (paragraph 66(2)(b)) one or more of the given names to be replaced by a nickname by which the prospective candidate is publicly known, other than a nickname that could be confused with the name of a political party. In this case, the initial or initials of the candidate's given name may accompany the nickname. The prospective candidate may be required to provide the returning officer with documents that are determined by the Chief Electoral Officer to be evidence of the common public knowledge and acceptance of the nickname.

A normal abbreviation of one or more of the given names of a candidate may be substituted for the candidate's given name or names (e.g. Joe, Ben, Geo., Bill, Tom, Nath, Mimi, Beth, etc.).

3. State the candidate's political affiliation (the name of the political party, or "independent"). In the absence of a specific party endorsement or a request for "independent," a series of black dots will appear under the candidate's name on the ballot paper.

The Nomination Paper of a candidate who has the endorsement of a political party and who wishes the name of that party to be printed on the ballot paper must be accompanied by a written instrument signed by the leader of the party (*or, at a general election only, by the authorized representative of the leader of the party*). A political party may endorse only one prospective candidate in each electoral district for any given election. Only the name of a party that is registered at the close of nominations can be printed on the ballot paper below the candidate's name. An eligible party becomes a registered party if it has at least one candidate whose nomination has been confirmed for an election and its application to become registered was made at least 60 days before the issue of the writ or writs for that election and has not been withdrawn.

4. The occupation of a candidate appearing in Part 1 of the Nomination Paper shall be briefly stated and shall correspond to the occupation by which the prospective candidate is known in his or her place of ordinary residence. Please note that the term "Member of Parliament" is not an occupation, but a title, and will not be accepted. The term "parliamentarian," however, is acceptable.
5. A person who wishes to act as a candidate's auditor must be recognized as a professional accountant under provincial or territorial legislation (see section 85 of the *Canada Elections Act*).
6. The witness who signs the candidate's consent to be nominated (on page 5) must file the Nomination Paper with the returning officer in the electoral district where the prospective candidate is seeking nomination. **The Nomination Paper may be filed between the issue of the Notice of Election by the returning officer and the close of nominations (at 2:00 p.m. on the 21st day before election day).** It is strongly recommended that an appointment be made with the returning officer to file the Nomination Paper.

The above does not preclude the candidate being present when the Nomination Paper is filed.

The necessary documents may be filed with the returning officer by electronic means. However, to ensure that the nomination will be considered, the returning officer must receive the candidate's deposit and the electronic documents by the close of nominations. Please note that Part 4 – Oath of Witness to Consent of Candidate of the Nomination Paper (see page 7) does not have to be completed when the Nomination Paper is sent by electronic means. The original documents must be received by the returning officer not later than 48 hours after the close of nominations. Should the original documents not be received by the prescribed deadline, the nomination will be refused, unless the candidate satisfies the returning officer that all reasonable measures were taken to ensure that the original documents were received on time.

7. At the time of filing, the witness to the candidate's consent will be required to complete the oath on page 7, before the returning officer (unless the Nomination Paper is filed by electronic means). The witness will also be required to file:
- the completed Nomination Paper;
  - a deposit of \$1,000 in legal tender, or a money order or cheque in that amount, made payable to the Receiver General for Canada;
  - a statement signed by the auditor consenting to act in that capacity; and
  - if applicable, a written declaration, signed by the leader of a political party (in accordance with instruction 3 above), stating that the prospective candidate is endorsed by the party in accordance with paragraph 67(4)(c) of the *Canada Elections Act*.

The witness shall use due diligence to ensure that the persons who signed the Nomination Paper in Part 7 are all electors ordinarily resident [the place of ordinary residence of a person is the place that has always been, or that has been adopted as, his or her dwelling place, and to which the person intends to return when away from it (s. 8(1))] in the electoral district where the candidate is seeking nomination.

Lists of electors, election expenses kits and official receipts can only be issued by the returning officer to a candidate or official agent. The candidate or official agent will have to visit the returning officer after the nomination is confirmed to obtain these documents.

8. Once the Nomination Paper has been filed, the returning officer will, within the next 48 hours, check it thoroughly before confirming or rejecting the nomination. The returning officer will issue a notice of confirmation or refusal of the nomination as soon as this review has been completed.

A Nomination Paper that a returning officer has refused to accept may be replaced by another Nomination Paper or may be corrected. Any new or corrected Nomination Paper must be filed with the returning officer by the close of nominations (at 2:00 p.m. on the 21st day before election day).

Should the nomination be refused, the deposit will be fully refunded to the prospective candidate.

9. A candidate whose nomination was confirmed by the returning officer (following the review) may withdraw at any time before 5:00 p.m. on the closing day for nominations (the 21st day before election day), by personally filing with the returning officer a statement in writing to that effect, signed by the candidate and witnessed by two electors who are entitled to vote in the electoral district in which the candidate's nomination was confirmed.
10. Once a nomination has been confirmed, only changes authorized by the *Canada Elections Act* (to the candidate's name, address or occupation) will be permitted. Those changes must be made before 5:00 p.m. on the closing day for nominations (the 21st day before election day). Any changes the candidate wishes to make to his or her Nomination Paper must be provided to the returning officer in writing.
11. If you are not already on the list of electors and you do not want to register on election day, you can register at an earlier date with the returning officer for your electoral district of ordinary residence [the place of ordinary residence of a person is the place that has always been, or that has been adopted as, his or her dwelling place, and to which the person intends to return when away from it (s. 8(1))]. If you are a candidate at a general election who was a member of Parliament on the day before Parliament was dissolved for the election, please refer to section 10 of the *Canada Elections Act*

**The Nomination Paper of a confirmed candidate may only be disclosed in accordance with the *Canada Elections Act*. The personal information provided is otherwise protected under the *Canada Elections Act* and the *Privacy Act*. The information is retained in Personal Information Bank CEO PPU 005. The Nomination Paper of a confirmed candidate must remain in the office of the returning officer at all times during the election period and may be examined by any person during that period of time.**

DESIGNATION OF OFFICIAL AGENT AND AUDITOR**

I, the undersigned, the nominee in this Nomination Paper, do swear or solemnly affirm that:

1. I consent to the nomination;
2. I am a Canadian citizen at least 18 years of age on election day;
3. as per section 65 of the *Canada Elections Act*, I am not:

4. I designate the permanent residential address in page 1 of this Nomination Paper as the address for service of process and papers under the *Canada Elections Act*;
5. the name and permanent residential address of my official agent and the name, address and occupation of my auditor are as stated in page 1 of this Nomination Paper; and
