Standing Contingency Task Force

Task Force "Maple Leaf"

Standing Contingency Task Force

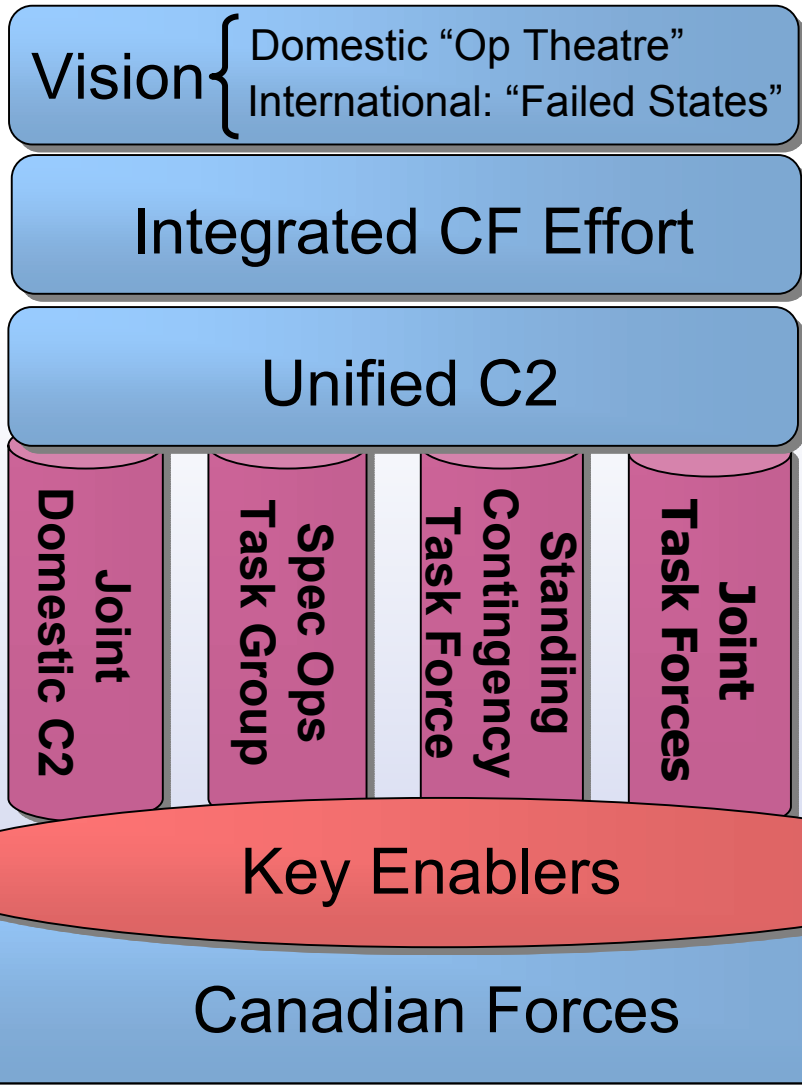

- Fully integrated combat unit (Land, Sea, Air and Special Forces)
- Trained and certified to deploy within 10 days of order to move;
Postured and equipped for rapid deployment
Capable of pre-positioning in vicinity of developing crisis
to provide Strategic Intelligence and Warning
Initial Canadian response to an emerging crisis
Facilitate follow flow of forces, if necessary
- Utility for employment in peace and confidence building role

Relevance, Responsiveness
and Effectiveness

How We Will Do This

Joint Task Forces

Mission Specific Task Force

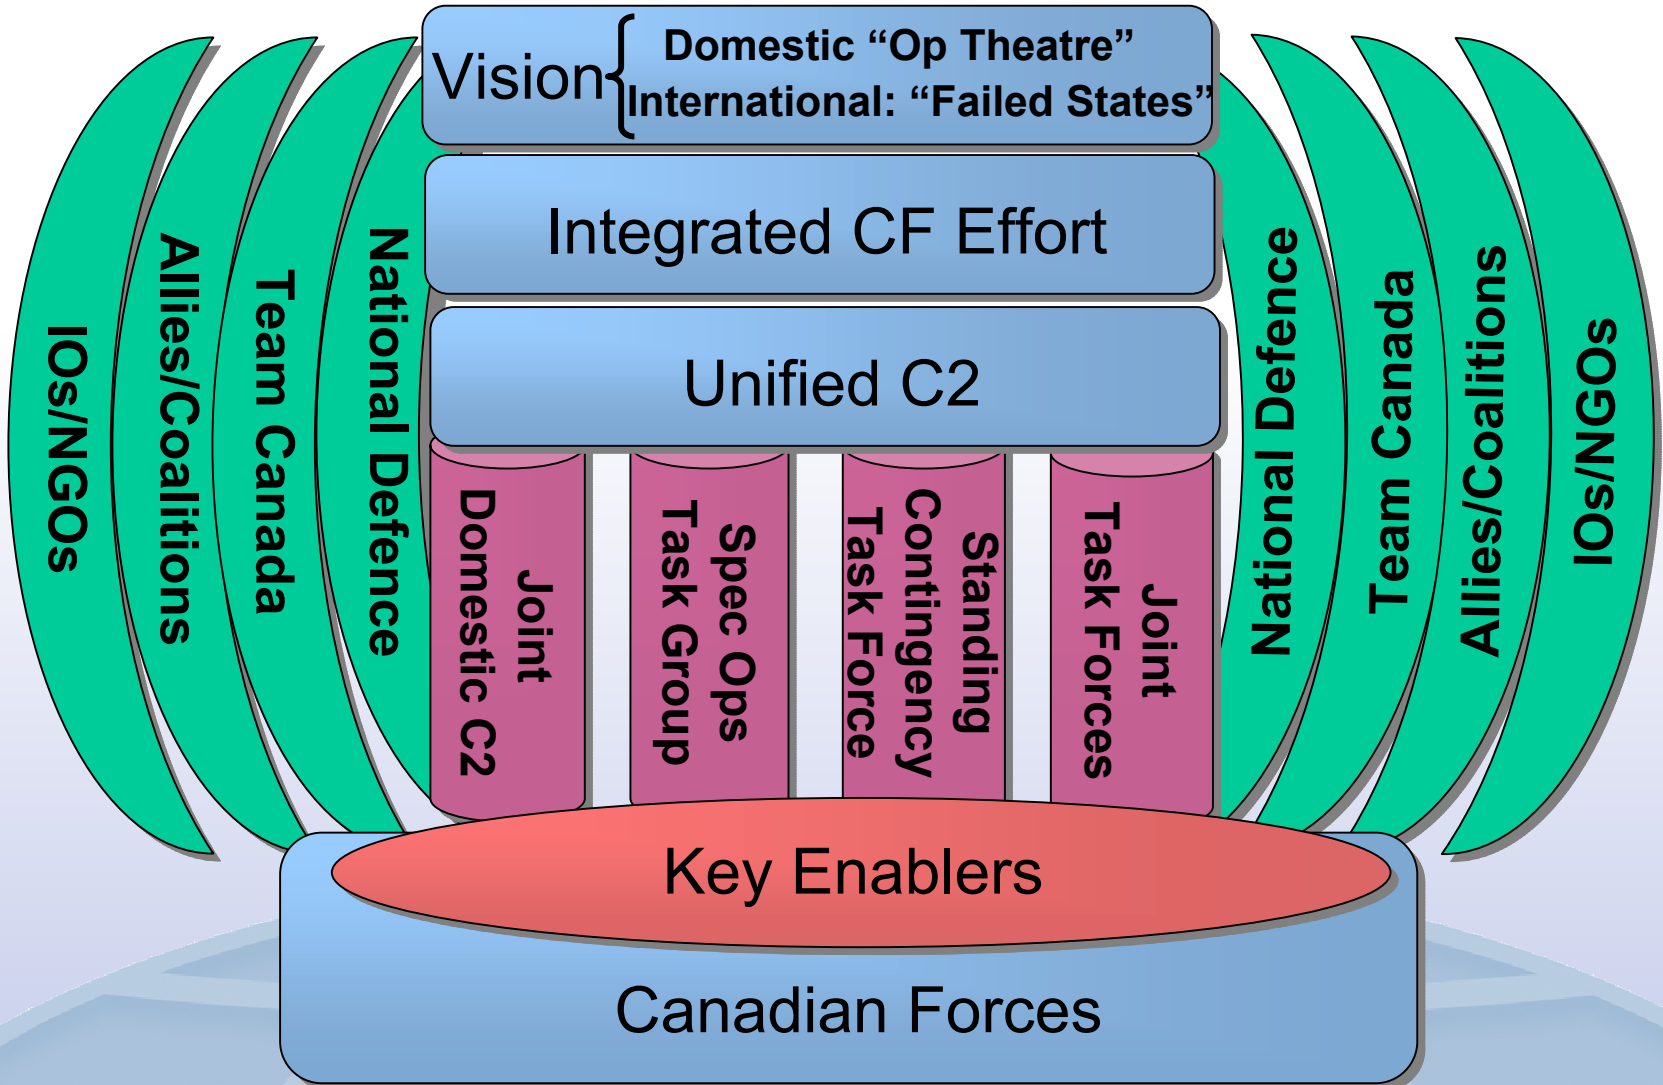

- Fully integrated “Task Tailored” forces
- Drawn from Land, Sea, Air and Special Forces maintained at lower states of readiness that facilitate a deliberate response to an emerging crisis
- Follow-on forces to SOG, SCTF or a discrete / stand alone contribution to other operations
- Capable of allowing Canada a major Leadership role internationally (geographic or component command)
- Various degrees of sustainment (up to or in excess of 12 months)

Relevance, Responsiveness and Effectiveness
