Link Manager

Link Manager

- Is available to the co-applicants and/or industry representatives.
- It is performed via the Personal Data Form (Form 100), Information Information Required from Organizations Participating in Research Research Partnerships Programs (Form 183A) or Information Required from Organizations Participating in the Special Research Research Opportunity (SRO) Program (Form 185).
- It allows co-applicants and/or industry representatives to browse browse and electronically link the above-mentioned forms to the application, once the applicant has granted them access to do so so (via the **Access Manager**).

Help

Browse Application

This page allows you to view and print individual sections of the application. You can either select an individual section or view the full application by selecting View All.

There are problems with the **View All** function that can result in poor system performance. The **View All** function could take from five to seven minutes to complete. As an alternative, we strongly recommend that you preview the sections individually. Do not select **View All** more than once. This problem should not affect the ability to submit applications electronically. Please accept our apologies for any inconvenience.
