

REQUEST FORM FOR DETERMINATION OF ENTITLEMENT
MINISTERS' STAFFS PRIORITY

This form collects information needed by the Public Service Commission (PSC) to determine if applicants meet the requirements specified in Section 39 of the Public Service Employment Act (PSEA) and are therefore entitled to be appointed without competition and in priority to others to a position in the Public Service for which they are qualified. Requests are normally submitted to the PSC by the departmental Head of Human Resources or equivalent, by mail. The PSC will respond by mail.

The entitlement applies to certain "exempt" staff in a Minister's Ministerial office when they cease to be employed in that office. The priority also applies to persons employed in the offices of Secretaries of State, the Leaders of the Government in the House of Commons and the Senate, and the Leaders of the Opposition in the House of Commons and the Senate. It does not apply to persons employed in a Minister's Constituency or House of Commons office or members of the Minister's departmental complement.
