

## THE CANADA COUNCIL FOR THE ARTS

Profile of Funding to Saskatchewan, 1997-98

Planning and Research The Canada Council for the Arts April, 1999

## **FUNDING TO SASKATCHEWAN, 1997-98**

- In 1997-98, the Canada Council for the Arts provided grants worth over \$2 million to the arts in Saskatchewan. This includes an additional \$311,000 in grants to Saskatchewan artists and arts organizations as a result of new funds received by the Council.
- In addition, \$161,000 in payments was provided to 244 Saskatchewan authors through the Public Lending Right Program. This brings the total amount of Canada Council funding to Saskatchewan to almost \$2.2 million.
- The Council awarded \$240,000 in grants to 25 Saskatchewan artists and \$1.8 million to 46 Saskatchewan arts organizations<sup>2</sup>.
- Grants were provided in every artistic discipline dance, music, theatre, visual arts, media arts, writing and publishing and interdisciplinary art. The largest amount of funding (\$565,000) went to theatre, followed by visual arts (\$560,000) and writing and publishing (\$444,000).
- Almost \$1 million in Council funding went to artists and arts organizations in Regina, making up over (48%) of the funding going to the province. Saskatoon received \$938,000 (almost 45% of the total). In total, all other communities in Saskatchewan received \$143,000 (almost 7% of the total).
- 13 Saskatchewan artists and arts professionals served as peer assessors in 1997-98, making up 2.2% of all peer assessors.
- Saskatchewan artists and arts organizations received 2.2% of Canada Council funding. In comparison, the province makes up approximately 2.5% of individuals in professional and technical occupations in the arts and 3.4% of the population of Canada.
- According to the 1996 Census, there are 7,770 individuals in professional and technical occupations in the arts in Saskatchewan<sup>3</sup>. This represents a -2.3% decrease over 1991. Underlying this decrease, however, are different trends for professional vs. technical occupations. The number of individuals in professional occupations in arts and culture actually increased by 5% while the number of individuals in technical occupations in arts and culture decreased by almost 10%.

<sup>&</sup>lt;sup>1</sup> The Public Lending Right Program provides payments to authors whose books are held in selected Canadian libraries.

<sup>&</sup>lt;sup>2</sup> Number of arts organizations excludes host organizations such as libraries, post-secondary institutions, bookstores and other organizations participating in the Literary Readings Program.

<sup>&</sup>lt;sup>3</sup> These figures represent only a portion of the total cultural sector labour force.
