A-2003-0053 / PC	Public	CONTRACT INFORMATION FROM APRIL 1, 2002 TO DATE RELATING TO INFORMATICS, DATA PROCESSING, INTERNET/INTRANET, TELECOMMUNICATIONS AND RELATED CATEGORIES	1/7/2004
<i>Text / Énoncé complet :</i>			
<p>I am undertaking research to determine what the size of the market is and who the leading vendors are for the provision of professional services specializing in information and data processing, informatics, internet/intranet, telecommunications and related categories. The period of search is April 1, 2002 to current date and it only covers contracts in the National Capital Region.</p> <p>I am suggesting two options for gathering this information. Please choose which option is easiest for your department.</p> <p>Option 1: OPEN SEARCH</p> <p>What contracts have been approved for the provision of professional services (Information technology, information and data processing, informatics, Internet/intranet, telecommunications and related categories) during the period April 1, 2002 to current date in the National Capital Region.</p> <p>What was/is the total budget for each contract?</p> <p>What vendor was awarded the contract?</p> <p>Who was/is the contracting authority and what is their phone number and email address?</p> <p>(note: This does not include the purchase of computers/telecommunications/networking hardware: just professional services).</p> <p>Option 2 VENDOR SEARCH</p> <p>For each of the following vendors, provide information to answer these questions.</p> <p>What contracts were awarded to the vendor during the period April 1, 2002 to current date in the National Capital Region? (Note: this includes Standing Offers and contracts under Standing Offers.)</p> <p>What was/is the budget for each contract awarded to each vendor?</p> <p>Who is/was the contracting authority for each contract awarded to each vendor (Note: include contracting authority phone number and email address.)</p> <p>CLARIFICATION: only the technological aspect. Not the content of web sites or broadcasting. Also(re Contracting Authority) wants the name of officer for which the services were contracted out (if possible)</p>
