

# *e-Services Terms of Use*

- Norwest Soil Research Ltd. ("Norwest Labs") makes available for your use on this Web site (the "Site") various interactive software and corresponding documentation operated by Norwest Labs (collectively, the "e-Services") and information and documents (collectively, the "Materials"), subject to the terms and conditions set forth in this document (the "Terms of Use").

## ***Applicability of the Terms of Use***

- As a user of the e-Services and Materials available through the Site, you (the "Visitor") are deemed to be representing all persons in your organization. These Terms of Use, which provide direction on what is deemed appropriate use of the Site and explain the consequences of non-compliance, apply to all Visitors to the Site.

## ***Acceptance of the Terms of Use***

- By accessing or using this Site, which includes your access to or use of any of the e-Services or Materials, you signify acceptance of and agreement with all of these Terms of Use. Therefore, before using the Site, we urge you to carefully read all of the provisions of the Terms of Use, including those pertaining to the Disclaimer.
- In addition, when using particular e-Services or Materials on this Site, you shall be subject to any posted guidelines or rules applicable to such e-Services or Materials that may contain terms and conditions in addition to those in the Terms of Use. All such guidelines or rules are hereby incorporated by reference into the Terms of Use.
- If you do not agree with the Terms of Use, you should not use the Site.

## ***Use of Our Trade Secrets and Intellectual Property***

You acknowledge and agree Norwest Labs has invested substantial time and effort into the establishment of references, explanations, protocols, calculations, formulas, and methods expressed in the e-Services and in the Materials, and these comprise trade secrets and proprietary information owned by Norwest Labs (collectively, the "Trade Secrets and Intellectual Property"). Our Trade Secrets and Intellectual Property may be viewed, downloaded, printed, or used for legal and legitimate business or educational purposes only. It shall be a breach of these Terms of Use should you use the Trade Secrets and Intellectual Property for any other purpose. Norwest Labs does not grant to you any express or implied right under any patents, copyrights, trademarks, or trade secrets act. Any unauthorized use of the Trade Secrets and Intellectual Property at this Site may violate such laws.

## ***Use of Our Clients' Proprietary Data***

- Norwest Labs is the custodian of our client's sample information and test results (collectively, "Client's Proprietary Data"). We take seriously our responsibility to employ reasonable measures to protect our Client's Proprietary Data from unauthorized access, modification, dissemination, or destruction. Examples include storing them on a protected server and providing access to the server only to users who have been authenticated with a valid username assigned by Norwest Labs and an encrypted password controlled by the user. Each Visitor's use of our Client's Proprietary Data is established by our client and governed according to the permissions granted to the Visitor by Norwest Labs according to the intentions of our client's as set forth in our confidential agreements with them. Our Client's Proprietary Data may be used for legal and legitimate business purposes only. It shall be a breach of these Terms of Use should you use our Client's Proprietary Data for any other purpose.

## ***Exclusions***

- The rights specified above do not extend to the design or layout of this Site. Elements of this Site may not be copied or imitated in whole or in part.

## **Restrictions**

- Canadian copyright laws, international treaty provisions and all other applicable national laws protect our Trade Secrets and Intellectual Property. You are not authorized to allow anyone outside of your direct control to have access to our Trade Secrets and Intellectual Property or to our Client's Proprietary Data. Consequently, you agree to the following restrictions:
- You shall maintain the confidentiality of our Trade Secrets and Intellectual Property and of our Client's Proprietary Data.
- Except as specifically permitted herein, you shall not reproduce in any form or by any means any portion of our Trade Secrets and Intellectual Property without the prior written permission of Norwest Labs.
- You shall not modify or alter, or permit to be modified or altered, in any way our Trade Secrets and Intellectual Property or our Client's Proprietary Data.
- You shall protect our Trade Secrets and Intellectual Property and our Client's Proprietary Data by preventing any unauthorized copying, use, distribution, installation or transfer of possession of our Trade Secrets and Intellectual Property or of our Client's Proprietary Data.
- You shall not rent or lease or sell or trade our Trade Secrets and Intellectual Property or our Client's Proprietary Data.
- You shall use your best efforts to prevent any reverse engineering, decompilation, disassembly or other attempt to discover the source code of our e-Services.
- You shall not obscure or remove any copyright or trademark or other proprietary notices contained in our Trade Secrets and Intellectual Property or in our Client's Proprietary Data.
- You shall not attempt to transfer your authorized use of our Trade Secrets and Intellectual Property without the prior written permission of Norwest Labs, or your authorized use of our Client's Proprietary Data without the prior written consent of our client.
- You shall inform our Client Services Department at (800) 661-7645 or (780) 438-5522 as soon as you believe in good faith that you have inappropriate access to our Client's Proprietary Data.

## **Term and Termination of Privileges to Use the Site**

- If you breach any of the Terms of Use, your authorization to access and use this Site terminate immediately and you must immediately cease use of our e-Services and destroy any Materials downloaded or printed from the Site, including but not restricted to our Client's Proprietary Data.
