| AB | Chinook | 2 | 1 | 1 | 0 | 0 | 0 | 0 | 2 |
| AB | Palisier | 6 | 0 | 6 | 0 | 0 | 0 | 0 | 0 |
| Total | | 141 | 16 | 42 | 83 | 61 | 9 | 0 | 0 |

Note: Evidence shows that most people infected with WN virus have mild symptoms or no symptoms at all.

Nota : Des preuves montrent que la plupart des personnes infectées par le virus du Nil occidental ont très peu de symptômes, ou aucun symptôme.

¹Total clinical cases is the sum WNNS + WN Non-NS + Unclassified/Unspecified.

¹Le total des cas cliniques est le total de SVNO + SNNVNO + non classifié/non spécifié.

Total clinical cases may be probable and/or confirmed cases. Some provinces/territories provide case totals without further breakdown into WNNS or WN Non-NS.

Le total des cas cliniques peut être des cas probables et/ou confirmés. Certaines provinces ou certains territoires peuvent fournir total des cas sans spécifier SNNVNO ou SNNVNO.

²Individuals brought to the attention of the Public Health Authorities who are currently being investigated for WNV and have diagnostic tests pending.

²Individus signalés aux autorités de santé publique qui sont couramment sous investigation par VNO et attendent leur résultats diagnostiques de tests.

³West Nile Virus has not been deemed the cause of death.

³En ce moment on ne peut pas dire que le VNO a été la cause de décès.
