

International Travel and Health (2000)

Vaccination Requirements and Health Advice

World Health Organization
English & French

Order #1180000
\$22.19

This booklet is addressed to national health administrations and to the practising physicians, tourist agencies, shipping companies, airline operators, and other bodies who are called upon to give health advice to travellers. In addition to summarizing the vaccination requirements of individual countries, the booklet indicates the main areas where malaria transmission occurs and where *Plasmodium falciparum* is resistant to drugs. Other chapters cover certain health hazards to which the traveller may be exposed and indicate the areas in which these hazards are most likely to occur. The booklet also recommends a number of precautions that the wise traveller should take when visiting unfamiliar places.

NO REFUNDS —NO RETURNS policy on all our publications. CPHA members deduct 10% from price of books. All orders under \$25.00 must be prepaid. Prices subject to change without notice.

On all orders please add postage and handling of \$4.50 for a single book and \$1.00 for each additional book in the order. Orders exceeding \$100.00 will be shipped via Priority Courier at the discretion of CPHA Staff. Shipping charges are based on weight and destination and will be included on the invoice.
