Water Resources Calendar 2006 Order Form

The 2006 Water Resources Calendar, containing beautiful images depicting different aspects of the water cycle, is now available. A project managed by the Saskatoon Student and Young Professional chapter, Saskatchewan residents submitted over 500 photographs of the water cycle in a province wide photo contest. Help support the CWRA through the purchase of this stunning calendar for the low price of \$15.

To order your calendar, you have two options:
