Similar species / Espèce semblable / Especie semejante : *Scaphirhynchus platorynchus* 12

 **Scaphirhynchus platorynchus**
 **Scaphirhynchus suttkusi**

Note: *S.suttkusi* is extremely rare and unlikely to be encountered.

Note: Comme *S. suttkusi* est extrêmement rare; il est improbable de le trouver.

Nota: *S. suttkusi* es sumamente raro; es improbable encontrar ejemplares de esta especie.

S. platorynchus

spines on tip of snout and between the small eyes
épines sur l'extrémité du museau et entre les petits yeux
espinas en el extremo del hocico y entre los pequeños ojos

S. suttkusi

no spines on snout or between the large eyes
pas d'épines sur le museau ni entre les gros yeux
sin espinas en el hocico y entre los grandes ojos

S. platorynchus

belly with large visible scutes
ventre avec de grands écussons visibles
vientre con grandes escudos visibles

S. suttkusi
belly with small embedded scutes
ventre avec de petits écussons incrustés
vientre con pequeños escudos incluidos
