

A World of Solutions Daily

The Carbon Finance Exhibition is open today from 10:00 a.m. to 8:00 p.m.

Sunday, December 4

□ Today in the Conference Centre

- The coffee sector in Argentina and Mexico, water in the Philippines, drought in Kenya, irrigation in Ethiopia – adapting to climate change requires solutions for both today and the future. **Adaptation Day** is the second of two day-long conferences sponsored by the International Institute for Sustainable Development (IISD). Four sessions are on today's agenda with international experts: *Adaptation Science*, *Community-based Adaptation*, *Experience with National Adaptation Programmes of Action* and a *High Level Panel Discussion*. Among the presentations are adaptation experiences in Samoa and Bangladesh, Gambia and the Sudan. Check the detailed agenda available at: www.iisd.org/climate/unfccc/cop_dadays.asp

9:00 a.m. to 6:00 p.m.

Salle des Saules, Salle des Pins,
Salle des Ormes and Le Salon

- Restoring the rainforest in Sri Lanka – a case study – helps examine the differences between the biotic pool and non-biotic carbon pools, and in determining which sequestration of carbon can count under Joint Implementation. The conference is called **Is all Carbon sequestration equal?**
