AND ABROAD**

At Home
Abroad

**BY TAKING ACTION NOW, OUR
ENVIRONMENT WILL BENEFIT**

Technologies for a Clean Air Future
Sustainable Cities and Communities
Sustainable Agriculture

CANADA PAVILION

Theme Days at "le rond point"

Monday, November 28
Adapting to Climate Change

Tuesday, November 29
Sustainable Transportation -
A Route Worth Travelling

Wednesday, November 30
Agriculture and Climate Change

Thursday, December 1
Our Climate - Our Health
Greenhouse Gas Essentials

Friday, December 2
Sustainable Cities

**Saturday, December 3 and
Sunday, December 4**
International Carbon Market

Monday, December 5
Sustainable Development -
A Reality in Actions

Tuesday, December 6
Arctic Day -
Perspectives from the Pole of Change

Wednesday, December 7
Take the One-Tonne Challenge!

Thursday, December 8
Our Satellites Monitoring the Earth

Friday, December 9
Air Quality Day
