# FLY SMART FLY SECURE

## *Tips for Air Travellers*

- ▶ Ensure there are no sharp objects like scissors in your carry-on bag.
- ▶ Arrive early at the airport — check with your airline.
- ▶ Make sure you have the appropriate government-issued photo ID like a driver's license or a passport.
- ▶ Make sure electronic equipment is charged and ready to be turned on for inspection.

Being informed and prepared is your ticket to a smoother trip. Transport Canada and its partners encourage you to discover more ways to travel smart. Contact us for your free brochure.
