**DECLARATION**

- The representations herein are true and complete.
- Material changes will be reported forthwith to Transport Canada.
- The pre-clearance system is only for purchases of vehicles from the original vehicle manufacturer by commercial importers for the purpose of re-sale. This company will not use this system to circumvent proper entry into the Inspection and Certification system operated by the Registrar of Imported Vehicles for US-specification vehicles imported from, or vehicles purchased at the retail level in, the United States.
