NEW HAMPSHIRE

In 1989, the Canada-U.S. Free Trade Agreement went into effect, phasing out all tariffs and many non-tariff barriers to trade. Beginning in 1994, the North American Free Trade Agreement (NAFTA) opened the Mexican market to Canada and the United States. Evidence of the benefits of free trade are clear as two-way trade in goods, services and income between Canada and the United States totalled \$449 billion in 2001, the largest bilateral exchange in the world.
