Tips for Travellers

1. Avoid the rush, **arrive early!**
2. **Pack carefully!** Certain items are not permitted in your carry-on baggage, such as toy weapons or sharp and penetrating objects, like scissors and knives.
3. Ensure your **medication** is properly labeled and placed in your carry-on baggage.
4. **Alcoholic beverages** must be in their original container with commercial seal intact. Alcoholic beverages in non-retail packaging (such as homemade wine) are not permitted in carry-on baggage.
5. Pack all **camera film** in your carry-on baggage. Camera film under 800 ASA/ISO will **not** be damaged by equipment at the pre-board screening checkpoint.
6. **Dress appropriately** for travel and avoid wearing metal objects that could trigger the alarm.
7. Flammable items (ie. lighter fluid) and most aerosols are considered **dangerous goods** and are not permitted in carry-on and checked baggage.
8. It is recommended you pack all **food products** in your carry-on baggage.
9. **Electronic devices** such as portable computers may be screened using special screening equipment. This procedure will not harm your electronic devices.
10. Please advise **screening officers** of any special needs you may have.
