

SNOW PARKING

Transportation and Public Works crews want to get Nova Scotia's roads plowed as quickly as possible when it snows.
 Help us out by making sure your parked vehicle isn't holding up the plow.

Winter parking regulations are in effect from December 12, 2005 to March 31, 2006.

During this period, parking vehicles between 1 a.m. and 7 a.m. is restricted on streets in most communities under Transportation and Public Works authority.
