

The RoadInfo Menu

416-599-9090
1-888-599-9090

Here is just some of the information you can access for City of Toronto Roadways:

- Find out about road construction by area of the city
- Hear about closures taking place on City Expressways
- Find out about Special Event Routes
- Leave a Public Comment to report a pothole
- Find out what to do if your car gets towed

For MTO Roadways, you can:

- Find out about road construction information on MTO Highways by simply entering the Highway number you want to hear about
- Find out how to access other MTO information sources
