- YES, we may** be required to submit a 2004 NPRI Report. Please send a **2004 NPRI Reporting Kit** to the above address. We understand that requesting a Reporting Kit does not legally bind us to file an NPRI report. If, upon further examination of the detailed criteria in the NPRI guidance documents, we determine that we are not required to submit a report, we will inform Environment Canada in writing **before June 1, 2005**.
- NO**, we are not required to submit a 2004 NPRI Report to Environment Canada.
- I do not know if we must submit a 2004 NPRI Report** to Environment Canada. Please contact me to answer my questions.

- I want to learn more about the NPRI reporting requirements. Please send me information about the upcoming **NPRI Information Sessions** that will be held in the **spring 2005**.
