

YOUTH REGISTRATION GUIDELINES:

Registration: Admission is **Free to all pre-registered** groups. Space is limited, and registrations will be on a first-come, first-served basis. There are **no limits** for the number of youth/students that your school or organization can register. The *chaperone*, an accompanying adult (i.e. teacher, education/guidance counselor, or parent), *must pre-register all students or youth in their group*, and **will be responsible** for obtaining *parental permission for each youth prior to attending the career fair*. Career fair registration includes attendance at the opening ceremony, career seminars, booth area, lunch and the closing ceremonies.

Registration Deadline: **Monday, December 19th, 2005**. Please fax or e-mail your *completed registration form* to NAAF. We will accept registrations after the deadline date only if space is available.

Registration Confirmations: A written confirmation of your registration will be faxed or e-mailed **on or soon after January 2nd, 2006**.

Youth: Include ages (13-18) and grades (10-12).

Chaperones: Chaperones are responsible for ensuring proper student supervision and discipline during the entire career fair. The following are a few guidelines:

- For every 10-15 youth (as defined above), we recommend that **one adult chaperone** (18 years of age or older) accompany and take full responsibility for the youth group in his or her care;
- Teachers and chaperones **must remain with their students at all times**;
- Please ensure that your group **arrives on time** and *attends all scheduled career fair sessions and activities*. Youth and chaperones are encouraged to actively participate in the sessions;
- It is the **responsibility of the chaperones to ensure that all youth groups arrive on time for each scheduled session** (10 minutes between each) so that the youth can obtain the most from the information presented;
- Chaperones **must notify us** (preferably in writing) to provide permission for student(s) to leave the premises during the career fair hours of 9:00 a.m. to 4:00 p.m.

Hotel Accommodations & Travel: Career fair registration **does not include transportation costs**. NAAF will pay and arrange vehicle parking for all groups attending BFF. A limited number of free hotel rooms will be available to groups who are travelling long distances. These complimentary rooms will be available by advance request only and some conditions will apply. For groups eligible for free accommodations, hotel rooms are generally assigned as follows: four (4) students per room based on gender, and two (2) chaperones per room. Whenever possible, **chaperones** will be registered in hotel rooms located next to their youth delegates, and **will be responsible for ensuring that the youth respect the needs of other hotel guests and hotel property**.

Cancellations: In the event that a registered student or chaperone is not able to attend, organizations **may substitute** with an alternate person, but **must ensure** that **NAAF is notified in writing by January 18th, 2006**. If your group must cancel your registration, *please notify NAAF in writing immediately*, so that we can make that space available to another group.
