

## What's New?

### *2005 Yukon Miners Directory*

In a joint partnership with the **Dawson City Chamber of Commerce** and the **Klondike Placer Miners Association** the Yukon Chamber of Mines is producing the 2005 Yukon Miners Directory. Directory listings are **free of charge** for all paid members of only these three associations, non-members will have to pay \$50.00 for an individual listing and \$100.00 for a Junior corporation listing, to a maximum of four lines for individuals and six lines for a Junior corporate level (Medium corporate level is \$200 for 10 lines—Large corporate level is \$500.00 for 20 lines). Additional charges will apply at \$25.00 per extra line required. Advertising ads and non-member listings will cover the expense of creating the directory. Should you wish to have your contact information included in this valuable resource directory please respond before October 1st or 10% additional charges will apply.

### *Mining Week May 21—27, 2004*

#### *Trivia Radio Contest*

The Chamber of Mines contacted Fireweed Helicopters and Heli-Dynamics who provided the grand prizes for a radio trivia contest. YTG, Yukon Geology and the Chamber of Mines provided multiple choice and/or true/false questions for the radio stations on mining. CKRW and CHON-FM ran the contest three times a day for 10 days. CBC also ran the contest for 6 days with 1 question a day in the morning program. Heli-Dynamics provided a 30 minute helicopter ride for 2 people in the Whitehorse area for CKRW. Fireweed Helicopters provided a 30 minute helicopter ride for 2 people in Dawson with a tour of the gold fields. CBC provided a mug/Trans North Hat & a Mining Explained book for each winner with the grand prize being a \$100.00 gift certificate to the Cellar Steak House and Wine Bar courtesy of the Edgewater Hotel.

#### *Gold Panning*

The KPMA, Chamber of Mines, Yukon Geology Program and YTG bought 14 grams of gold and made salted bags for the purpose of gold panning. We got a trough from the High Country Inn, which was set up in the Elijah Smith Building for gold panning. Two students provided by the Yukon Chamber of Mines and the KPMA were in charge of this event. Over 360 people took part in the goldpanning. It was a huge success.

#### *Display Booth*

The Yukon Chamber of Mines set up a display booth in the Elijah Smith foyer from May 25 – 27 in support of Mining Week. We just provided free handouts on the table in front of the display unit. (Coloring books, story books, 2004 Mining Companies, Membership information, contest forms, mining display, rockhounding guides) We set up Marvin Sherman's mine camp display for view and we had contest forms available for pick-up as well.

## Thank You!

### Prizes Donated for “The Birth of Biking” Contest May 14—June 14, 2004

- Icycle Sport donated \$600.00 towards a \$2,100.00 gift certificate;
- Trans North Helicopters donated a 30 minute helicopter ride for 4 people as 2nd prize;

### Prizes Donated for “Mining Week” Radio Trivia Contest May 21—27, 2004

- Heli Dynamics donated a 30 minute helicopter ride for 2 people for the radio trivia contest for CKRW;

#### New This Year “Coloring Contest”

This year we added a coloring contest for children 8 and under. The picture was a child on a bike. The response was enormous with almost 500 entries from all over the Yukon. The children put a great deal of effort into each drawing and many times we had parents drop them off with orders from their children to make sure we received it on time. The purpose of the coloring contest was to introduce children and parents too about the fact that the Yukon Chamber of Mines exists. The Grand Prize was \$100.00.

# Mining Awareness Contest

## “The Birth of Biking?”

Did you know that without mining the bicycle would never have been invented? In fact, without mining, none of the everyday products we take for granted would exist. If you look beneath the surface, you’ll find that mining has something to do with everything.

Each year the Yukon Chamber of Mines tries to promote some positive publicity towards mining. This contest shows how mining affects us in our everyday lives and how necessary it is to the economy.

This year’s theme was “The Birth of Biking” with the entrant required to complete the answers to 25 questions on minerals used in the manufacture of a bicycle. Also, included in the question is where that mineral could be found in the Yukon.

This years prize was a gift certificate valued at \$2,100.00 for the purchase of a bike at Icycle Sports. The 2<sup>nd</sup> prize was a 30 minute helicopter ride for two people courtesy of Trans North Helicopters.

- 463 Whitehorse Entries
- 13 Out of Province
- 48 Dawson City
- 16 Ross River
- 20 Carmacks
- 20 Teslin
- 11 Haines Junction
- 11 Pelly Crossing
- 5 Faro
- 5 Beaver Creek
- 2 Mayo
- 2 Old Crow
- 1 Carcross
- 617 Total Entries

**Winners**

1<sup>st</sup> Prize Patrick Grini – Carmacks (Age 15)  
\$2,100 Gift Certificate Icycle Sport

2<sup>nd</sup> Prize Kyran McIntyre – Whitehorse (Helicopter Ride)

3<sup>rd</sup> Prize Luke Hunter – Dawson City

4<sup>th</sup> Prize Jasmine Harvey-Garnter – Whitehorse

5<sup>th</sup> Prize Tammy Allen – Whitehorse

6<sup>th</sup> Prize Daniel Joinson – Dawson City

**Coloring Contest Winner:** Dawson Hallonquist \$100.00  
Age 8 from Whitehorse

*Patrick Grini  
Age 15—Carmacks  
Holding \$2,100 Gift Certificate*

*Dawson Hallonquist  
Age 8—Whitehorse  
Holding \$100.00 Cheque and  
Copy of his Coloring Contest  
With KPMA student helper Billie Siver*
