Fellow Comrades,
Finding new products is hardly a precise science. Most of the new items in this catalogue, there are over 170, are the result of you phoning us and asking for it. We are particularly pleased to offer the cast bronze flag holders and headstone markers on the facing page to everyone that has asked for them. We hope the shadow boxes on the back cover also satisfy the numerous inquiries received this past year. If you like the new products in this catalogue, give yourself a pat on the back. You were the ones who did the initial work.

In Comradeship,
Legion Supply

** All consumer items intended to be resold to members are marked with an asterisk beside the item number.
These items will be invoiced to the branch less a 10% discount.*

While we intend on holding prices shown in this catalogue until September 2006, we reserve the right to change prices without notice.

Vimy Lantern

This is the tin lantern also shown on the cover of this catalogue. From time to time we have and will come across antiques that we can reproduce. This was one of them. The lantern that we had reproduced was issued to Lieutenant Charles Henry Boothe who served in WWI with the 198th Battalion Canadian Buffs. Boothe's grandson graciously allowed the reproduction of this lantern. These lanterns were issued to many Canadian servicemen in WWI.

A critical feature of these lanterns was their ability to fold and fit into the included tin case which has an additional tubular enclosure for the candle (included). This feature minimized the space the lanterns consumed while protecting the unit from severe handling. The lantern itself measures 3" by 3" and is 5½" high. A Chain with eyelet is included so that the lanterns could be hung in a trench, bunker, or tree. Air is drawn through a series of holes in the bottom of the lantern and is vented through the largely open top. We stayed true to the design of the original however this lantern still remains quite useful. The real glass panes provide a shield from wind making this lantern ideal for camping or a walk under the stars.

Memorial Markers

We have been regularly asked by Comrades and the families of our Comrades where one can find headstone markers or flag holders. Until now we have been at a loss to direct you to a source for appropriate markers. To date the only real option in acquiring one has been the custom manufacturing route resulting in varying degrees of quality and a really heavy price. Once we established that there was a need for these perpetual memorials, we began our search for a manufacturer. Offering these tributes is the result of more than 9 months of research and development. Our criteria was; North American manufacturing, experience in producing bronze for exterior use, costs allowing us to establish reasonable retail prices, experience in design, mould making, and preferably experience in manufacturing memorial markers. We are very pleased to advise that all of our criteria have been met. The manufacturer of these memorial markers has been at this for more than 60 years. All of these markers are guaranteed indefinitely against defective workmanship.

These markers are all made from red bronze, a copper based alloy with minimum 85% copper content. The result of their composition is a strong, heavy, non-corroding casting. The raw castings are pre-oxidized giving them that brown finish frequently seen on memorial markers. The castings are then polished and satin brushed by hand to expose the underlying raw red bronze finish highlighting our Badge, the Maple Leaf, and the Poppy. This exposed red bronze is meant to oxidize over time so that the finish will match other memorial markers. The pre-oxidized areas will remain brown providing the necessary contrast.

Memorial flag holders are available with the Legion Badge (for Legion Members) or Maple Leaf. Overall dimensions of the Legion Badge flag holder casting is 5" high by 5" wide. Overall the Maple Leaf casting measures 4½" high by 4¾" wide. Both holders are permanently fixed to an 18" iron rod. The flag is held in place through two eyelets cast into the back of the marker. These can be used as memorials with or without a flag. Canadian flags have been produced specifically for use with these holders and are available individually or by the dozen.

Headstone markers are available with the Legion Badge, for Legion Members, or the Poppy, for Veterans. Overall dimensions of the Legion Badge casting are 4½" high by 2¾" wide. Overall the Poppy casting measures 3¾" high by 3½" wide. Both castings have an integral tab cast into the marker for fixing to a headstone. The markers can be permanently fixed to a headstone by drilling a ¾" bore hole (⅝" deep), filling the hole with epoxy, and inserting the cast tab. We suggest that a professional perform this after consultation with the cemetery and headstone manufacturer. If you do not wish to bore a hole in the headstone, the tab may be cut or ground off and silicone or other permanent adhesive may be used.

2005 has been officially designated as the "Year of the Veteran." The Royal Canadian Legion has proudly participated with Veterans Affairs Canada all year in honouring all veterans during this, the 60th anniversary of the end of WW II. In celebration of the Year of the Veteran, Legion Supply will continue to offer these special items throughout the remainder of the year. We encourage you to demonstrate your thanks to the veterans of Canada by taking part in Remembrance ceremonies this year.

Year of the Veteran Pin

This is a pewter pin featuring the Year of the Veteran Trademark, which contains a red Poppy, set on the background of a WW2 helmet. Designed by Legion Supply in commemoration of 2005 as the Year of the Veteran, the positive response to this item has been overwhelming. Don't miss out on your chance to get one, a limited supply remains.

***600104 \$3.95**

Year of the Veteran Bookmark

This pewter bookmark is similar in design to the lapel pin above, featuring the Year of the Veteran trademark, set on the background of a WW2 helmet. A limited quantity is available.

***600105 \$5.95**

Year of the Veteran Crest

This attractive crest has been designed to combine the Year of the Veteran trademark and the Badge of The Royal Canadian Legion. A limited quantity of these crests are being produced.

Year of the Veteran Medallion

Show your appreciation to the veterans in your community by presenting them with this memento. This brass medallion, in an antiqued silver finish, measures 1 1/4" and is available with an English or French top bar. The obverse of the medallion contains the official "Year of the Veteran" logo, and the reverse has been struck with the Legion Badge. Packaged in a plastic presentation case.

***600107 (English) \$14.95**
***600108 (French) \$14.95**

Year of the Veteran Flag

This flag is yet another of several items that Legion Supply has had manufactured to commemorate 2005 as the "Year of the Veteran". It is an economical custom-made flag measuring 6'x3'. These rope & toggle style flags have been made from 110 gram polyester, are available in both an English or a French version, and are limited in supply.

Cards

This line of greeting cards has been produced in-house by The Royal Canadian Legion's own Patrick Riley. Comrade Riley created these images using authentic WWI uniforms supplied courtesy of Canada's War Museum. These are economical because they have been produced in-house with the printing arranged locally. Sold in sets of 10 or a sample pack, 2 of each, these cards are priced quite affordably when compared to the \$4 and up charged by others. The cards have been printed on brilliant white 80 lb card stock and are supplied complete with envelopes. Another nice touch is the fact that the interior of the cards has been left blank. We thought you, like us, would prefer to include a personal note rather than an impersonal statement written by someone else. One card, "All Occasion" has been intentionally left untitled for use as you see fit.

Tea Towels/Wall Hangings

During the 2004 Legion Convention, London, Ontario, a poem was displayed in between business sessions. This poem was "The Inquisitive Mind of a Child" and was provided courtesy of The Royal British Legion. Following Convention we received numerous requests for a copy of the poem. This compelled us to reproduce the poem on a traditional British setting, tea towel wall hangings. Once we got going on this poem, it seemed only natural to include several of our Canadian Legion traditions. Official Legion meetings are opened with "The Act of Remembrance which is an excerpt from Laurence Binyon's "For The Fallen". The closing ritual uses an excerpt from Rudyard Kipling's "Recessional". These 17" x 24" tea towels are made of linen and are silk screened in seven colours. Available individually or as a set (3). Frame not included.

Toque

I think by now we all realize that the majority of our bodies' heat is lost through the head. Keeping our heads warm is critical whether we are curling, watching hockey, shovelling snow, or just enjoying a brisk winter walk. It comes very nicely embroidered with the Legion logo and is stretchy so one size fits all, except for very young children (under 8).

***500298 \$7.95**

Silk Scarf

We were initially quite discouraged when we began our search for a Legion silk scarf. There seems to be no shortage of overpriced scarves on the market. Much smaller scarves were found to sell around \$40. This, like all high quality scarves, is made from 100% silk. Measuring a full 36" x 36", you can finally own a scarf long enough to complete the necessary two turns around the neck. Of course, the versatility of a this square scarf is limited only by your own sense of style. Add that to the tasteful adornment of the Legion Badge alternating with the Red Maple Leaf, and well, we just hope you share our enthusiasm.

***500281 \$19.95**

Extra Large Fleece Scarf

This is a very large and practical scarf. At 8" by 70" (nearly 6') this scarf is large enough to complete the wrap around your neck, cover your lower face and insulate part of your upper body. Made entirely of fleece, they are nicely decorated with the Legion logo of which the Poppy and Maple Leaf portions are embroidered. We were tempted to call this one a "Curler's scarf" but resisted. Despite being obviously appropriate for curling, our winters will provide many other occasions where you will appreciate the protection a scarf this size can offer.

***500297 \$14.95**

Fleece Scarf with Legion Badge

Soft and comfortable fleece is the ideal material for a warm winter scarf. Our scarf is Navy blue with an embroidered Legion badge and measures 9" wide by 58" long.

***500280 \$12.95**

Angora Scarf

There remains no substitute for the look and feel of a scarf that contains Angora wool. These scarves are 70% lamb's wool, 20% Angora, and 10% polyester. They are 9" wide and 48" in length and are nicely embroidered at both ends with the Legion Badge.

***500286 \$14.95**

Glass Christmas Ornament

A nice part of offering this Legion Christmas ornament was learning just how glass balls are made. The Badge on this 3" diameter glass ball was hand-painted then reproduced onto flat sheets of glass. The flat sheets are then formed into spheres and the eyelet is added. These balls are supplied in a heavy material covered fibre board box that is suitable for storing the ball until next year.

The Legion Beret is an intrinsic part of the Legion Uniform. It clearly identifies an individual as a member of our distinguished organization. The Supply Department takes pride in providing a quality product to serve this critical function. These berets are solid navy blue with an embroidered Legion badge mounted on the front. They come in three adjustable sizes; small, medium and large. Recently the Supply Department has improved the quality of the beret by working with our supplier to secure a source of Australian Merino Wool, which is the ultimate in wool fibre. It is in high demand due to its resistance to pilling, excellent colour retention and wearability. Merino wool has been produced continuously in Australia since 1797, when a flock of Spanish Merino sheep were brought to Sydney by two British Military Officers and sold to local landowners. Among them was Elizabeth MacArthur who became a legendary figure in the Australian Merino wool industry.

If you wish to return something, please call our toll free number for instructions. All in stock orders will be shipped within 48 hours of receipt.

Branches, Zones, Districts and Commands of The Royal Canadian Legion have established a time-honoured system for showing appreciation to those members who dedicate their time in service to the branch by serving as elected or appointed officers. Such members are awarded medals and ribbon bars that signify positions held. There are also awards for outstanding service beyond the call of duty. These awards cannot be bought by the member; instead,

they are bestowed on the member by their branch or command. For detailed information on the awards found listed here, please consult the Honours and Awards Manual.

Replacement components are available, i.e. medals, ribbons, etc. The replacement parts for medals can be ordered in parts using the same number as the medals. Ribbon replacements are listed on page 21.

Running a branch is by no means an easy task, requiring the efforts of any number of dedicated officers who must be well informed about their duties. To assist with ensuring that the branch is properly run, the Legion publishes a wide array of Guides and Manuals. Most are revised on a regular basis, so your executive should check to see that the material they have is up to date.

The Legion provides Certificates to Branches and Commands for a variety of needs. With the exception of the Branch Charters and Purposes and Objects, the certificates have all been made a standard 8½ x 11 size and are all on a high quality certificate stock with a gold foil stamped border of maple leaves and a two colour, gold foil stamped, embossed Legion badge. They are compatible with most ink-jet, bubble-jet and laser computer printers.

Medal Presentation Boxes

All medals are currently supplied in clear plastic boxes that primarily serve to protect and keep the medals clean until they arrive. It would be nice to supply them all in presentation boxes but this would drive up the cost of all the medals quite significantly. There are many circumstances where it would be preferable to present a medal in a box more suitable for a public ceremony. It is for these occasions that we have developed this presentation box. These 6" high by 3" wide clam shell style boxes are made of tin, coated with a thick composite giving them a comfortable padded feeling. The inside of the box is felt lined and is sufficient in size to hold any Legion Medal. Although designed for presentation, these boxes are also quite suitable for storing individual medals. They are available with or without the Legion Badge and at a lower price when 10 or more are ordered.

Dedication Plaque & Tree Stake

Trees, park benches, play structures, fountains and other outdoor structures make visible and enduring dedications. It is with this in mind that we offer these two products used in identifying who donated the structure or planted the tree or in whose name the donation was made. Your customized message will be permanently laser engraved into these 4" x 6" substrates. The substrate material "Contempora" is incredibly durable and is in fact the product used for markers on the Trans Canada Trail. The Contempora is laser engraved and then backfilled with the black lettering, then machined smooth. There is simply nothing to wear off. These dedications are available as a plaque/plate only or mounted onto a heavy 2' outdoor stake.

Your message may include the Legion or Ladies Auxiliary Badge and up to six lines of text. Text may vary from 18 pt. to 24 pt. Larger text will result in fewer characters fitting on a line. The "THIS BENCH DONATED BY....." marker uses 18 pt text. At 18pt.type size, 18 characters will fit on a line. At 24 pt. type size, about 15 characters will fit per line. These dedications may be printed in English or French. Orders for these dedications will be processed separately from other Legion Supply items. Call toll free, (888) 301-2257, if assistance is required in clarifying your customized message. Please allow 4-6 weeks for delivery as these customized markers are made to order.

Chaplain's Stole

Legion Chaplains provide countless hours of volunteer service to branches and commands. It was suggested that a stole be made for wear by a Chaplain performing this critical role in The Royal Canadian Legion. This non-denominational stole is made with an ultrasuede front and cotton/polyester backing. Both ends of the stole are fringed and embroidered with the Legion Badge. This stole is our own exclusive design and is being made to our specification.

Gold Plated Badge

We try our best to provide you with the plaques and supplies necessary to operate your branches, to honour Veterans, and to acknowledge volunteers who provide countless hours of service. In spite of our efforts, on a daily basis, we are asked for a different plaque, urn, or some other item that we just hadn't thought of or that it just isn't economical to make in small quantities. It is those requests that inspire us to offer this cast Legion Badge all by itself. This Badge is available for all those items that we just can't make. The casting measures 3 3/8" in height by 2 1/8" wide and has multiple layers of gold plating over a very hard steel casting. A small bolt, with included nut, has been welded into the back to assist in mounting the Badge to a variety of surfaces. We hope to make more supplies of this do-it-yourself nature available in the near future.

700323 \$12.95

At first glance these items may seem inconsequential, but in the course of everyday branch operations you will likely find a time when you'll need one of these items and nothing else will do.

Coasters with Legion Badge
If you have tried to obtain custom made coasters you probably soon realized that they are prohibitively expensive to buy in small quantities. Only when tens of thousands are ordered does the cost become reasonable. These packs of 100 coasters are custom made for The Royal Canadian Legion with our Badge nicely displayed in the centre. We ordered enough to make them economical. At just under 10¢ apiece it is now affordable to place a "Legion" coaster under the glass of a member. Though these 3 1/2" coasters, made with an extra heavy 40 point stock, are not defined as reusable, they certainly are thick enough that they can be reused until they start to show wear. We specifically ordered these coasters with a blue background in a heavier weight to allow them to be reused. Although intended primarily for Branches, members may also obtain these coasters for use at home.

Legion & Ladies Auxiliary Ribbons
It has become tradition in some branches to acknowledge guests and special events with ribbons. Ribbons are an effective promotional tool to assist in reminding guests, and the public at large, about us and the purpose of our volunteer work. Given the custom nature of these ribbons, orders for them will be processed separately from other Legion Supply items and will take 3-4 weeks to deliver. The price list applies to all of the ribbons we offer, French and English, Legion and Ladies Auxiliary. Please specify language and Legion or Ladies Auxiliary, Branch #, Branch name, and City/Province/Territory if desired, when you order. Confused about ordering? Deluxe Knapsack with Legion Logo

It isn't having a lot of extra straps and pockets that you don't know what to do with that makes this knapsack deluxe. As a matter of fact it is elegantly simple but made with good material and sturdy fittings. At 17" x 14" it is a perfect size for everyday use. Legion Logo screened in red and white on blue nylon with adjustable padded straps and a handy carry loop on the top, gusset sides, water bottle pocket plus two zippered and one open pocket, and coat straps on both sides.

Le Clasp Key Holder

Some products are so useful but difficult to describe in a catalogue. This is one of those items. The unique mechanism in Le Clasp allows you to open the ring with just one hand permitting the easy insertion of keys with your other hand. Although it comes with four traditional key rings it can be easily used without them. Le Clasp can also be used to safely keep rings in your pocket when you remove them to golf, curl, etc. Le Clasp is nicely adorned with the Legion logo in red and black on white.

Black Valise with Gold Printed Legion Badge

This is one of those products where it is difficult to convey its value in words. This valise is soundly constructed using tough nylon and fittings. The zipper glides are metal, not plastic. The features are well thought out, making this the ultimate in "portable office." The main pocket is ample enough to hold a laptop but then has a gusset that unzips to double the capacity.

Plus:

- pen/pencil sleeves
- 6½" deep pocket with velcro flap
- key clip
- zippered wallet pocket
- 3 open pockets
- zippered brief pocket
- open file pocket that holds legal file
- flap pocket that holds 8½ x 11

Adjustable Cane/Walking Stick

Unfortunately, few of us will make it through life without requiring a cane at some point. So why are nice canes so hard to buy? We think this cane answers the question. This cane has many features. It is adjustable from just under 26" overall to a full length of 54". This allows us to describe this item as both a cane and a walking/hiking stick. It contains an "Antishock" system. The internal springs absorb impact as the cane/walking stick impacts the ground. It is made of aluminium making it both very light and very strong. The cane's handle has been ergonomically formed for use as a hiking stick or traditional cane and includes an adjustable wrist strap. Last, but certainly not least, is the critical tip. This cane has four. The metal point tip is built in. Included are 3 additional rubber ends; a standard round tip, a foot-shaped tread, and a circular unit designed to prevent penetration in softer surfaces. The shaft of this cane has been labelled with the Legion logo.

Ash Tray with Legion Badge

No traditional parlour is complete without an ash tray like this one with the Legion badge in full colour. Made by coating the ceramic with a white porcelain glaze, the permanent, organic, ceramic-pigmented decal is then added and the entire unit is fired at 800° Celsius. The result is a finely detailed piece that is durable because the decal is fused into the porcelain.

Legion Lighter with Presentation Box

This is a really nice lighter that refills using a standard butane canister. The powerful, adjustable, flame ignites using an electric ignition sufficiently that you can light a good cigar while travelling 30 mph across the water. This 2¼" x 1½" stainless steel lighter is plated with titanium, then laser engraved with the Legion Badge. The Legion Badge is also printed onto the lid of the included case. The 3½" x 3½" case is made of coated metal lined with felt making it quite suitable for presentation or as a gift. The lighters are shipped empty (no butane) so that your order may be handled by postal services.

60th Anniversary VE-Day Set

The Royal Canadian Mint salutes the courage of our Canadian Heroes with this unique commemorative coin and medallion set. The set includes:

- A Sterling Silver commemorative of the Victory Nickel that was produced in 1945, double dated to mark the anniversary. Included on this coin is the late King George VI as the obverse to the coin, a Commonwealth

first! The nickel is composed of 92.5% silver and 7.5% copper and measures 21.3 mm (13/16") in diameter.

- A bronze medallion with Sea, Land and Air imagery on the reverse and the late King George VI on the obverse. The medallion is composed of 100% coinage bronze and measures 35.9 mm (1 7/16") in diameter.

- A comprehensive, perfect bound, 32 page bilingual booklet detailing Canada's significant role leading up to the end of the war in Europe, with photographs depicting the Canadian effort.

- Packaging in an antiqued cigar tin with a wrap showing both the obverse and reverse of the coin and medallion.

This commemorative coin and medallion set is being offered as a collectors set, a gift, or as an item appropriate for presentation. A limited number of sets will be produced so please avoid disappointment and place your order early.

2005 Gift Sets

All of us are from time to time challenged with the need to purchase gifts to recognize the birth of a relative or close friend. It is with this in mind that we offer these 2005 gift sets from The Royal Canadian Mint. Two sets are offered. The first is the "Life is a miracle" set meant to recognize the birth of a child. The second set, "Make a wish", allows you to continue the tradition with a gift that provides a lasting impression. Both contain a complete set of uncirculated Canadian coins to mark the date of those special occasions.

Jostens Canada

Rings were the most frequently suggested new item, by you, the members. For this reason, we are very excited to offer this line of Legion and Ladies' Auxiliary Rings from Jostens Canada. You may be familiar with Jostens as they are Canada's premiere supplier of rings

to educational and community customers. Jostens, founded in 1897, still prides itself on hometown principles, quality, craftsmanship, and service. Over the past century, Jostens has crafted over 50 million rings provided to over 16,000 institutions.

The Rings

We offer to you the Legion Signet Collection of rings. These rings combine simplistic design, steeped in tradition, with classic style. Time-tested methods of manufacturing are combined with new technology to produce durable, yet beautiful, finishes that show detail exceptionally well.

Jostens use the principles of laminating to manufacture these rings. These are the same principles metallurgists use to produce products requiring the characteristics of more than one metal. Lustrium, a proprietary metal formula of Jostens, is used as the base for all of these rings. Lustrium is used for its hardness, durability, and resistance to abrasion. The rings are then coated, by vacuum vapour, with layers of titanium nitrate and 23k gold. The result is a ring with the properties of a hard metal (harder than sterling silver) that maintains a fine 23k gold finish that will not tarnish. These rings are made in North America using only environmentally responsible methods (electroplating is not used).

Size

In order to make your ring, the size must be known. Please stop by a department store or reputable jeweller to have your finger sized. This will ensure that your ring is custom made to your specific requirements.

The Guarantee

Jostens offers a lifetime limited warranty. Jostens will repair, or replace, at their discretion any ring with defective workmanship or materials. Jostens will resize, refinish, or polish your ring free of charge, for the life of the ring. Jostens offer a 4 year ring loss, or theft, protection program that does require a deductible. In the event your ring is lost or stolen, for a small fee (currently set at \$60 plus taxes and shipping), Jostens will remake your ring.

How To Order

Members can order these rings directly from Legion Supply. At this time, orders must be made separately from orders for other Legion Supply merchandise.

All orders must be prepaid. Visa and MasterCard are accepted on these orders. See our how to order page for Legion Supply contact information. Please allow 6-8 weeks for delivery.

Legion Ball Caps

When we started our search for ball caps the variety in quality was overwhelming. We initially made the mistake of assuming cost and quality were relative. They are not. When we found these ball caps and realized that we could retail them for less than \$10 we got really excited. These are, simply put, the best quality ball caps we have seen. The material used is a heavy weight but breathable cotton. The embroidery is second to none and their composite brims will hold their shape. You simply will know that these are quality ball caps when you put one on and feel how nicely it conforms to your head.

The hats come in traditional Legion blue with an embroidered badge or in a cooler beige version with the Legion logo. It was suggested that the quality of these hats would be misunderstood or underestimated if we only charged \$9.95 and that we should charge \$20 to \$30. Please help us prove them wrong.

Legion Hockey Jerseys

Nationwide, Legion branches sponsor many sports teams, and hockey teams are among these. Hockey Jerseys are a nice way to sponsor or support a team. This is too often cost prohibitive when you must pay \$100 and up to get jerseys screened with the sponsor's logo. It is for this reason that we have ordered and are offering a quantity of these Legion hockey Jerseys. These unnumbered jerseys, available in 4 adult male sizes, are made from meshed polyester and come complete with the Legion logo in the front, on both arms, and the "Legion" name on the back. When buying 12 (yes, you can mix the sizes) or more, for a team, a 10% discount will apply.

Darts

Good quality darts, at reasonable prices, are increasingly easy to find. Quality British made darts at reasonable prices are much more difficult to track down. All components of these darts are made in Britain. This brand, "Legion by Datadart" is exclusively endorsed by 2-time world champion "Jocky Wilson". The tungsten sets contain 80% tungsten carbide allowing them to make the necessary weight in a thinner shaft. The brass sets are offered for those traditionalists who like the feel of a larger shaft or for branches that require economical sets as "bar darts" for general use. Both sets have cross-hatch knurling on the shafts, come with a set of Legion flights, and are packaged in a slim pocket case capable of storing the dart set along with extra flights and stems. Extra flight sets are available with your choice of the Legion Badge, Canadian flag, or Union Jack.

Cribbage Board

Here is where we separate the real crib players from the rest. Finding a crib board without plastic pegs is normally about as easy as scoring "19". It is time to recount that hand because you will no longer have to heat up paper clips to melt into the holes in your board to remove those snapped off plastic pegs. This board made in the traditional "29" layout includes metal pegs in brass, black and silver colouring. Three of each peg are included so you have one spare in every colour. The board itself is made from hardwood and is adorned with the Legion Badge. ***300481 \$14.95**

FLAGS & PARADE

If we roll the clock back 15 months, flags provided by Legion Supply ranged in price up to \$98. The material used varied as did sizes. It was at this point that we decided that we must offer a comprehensive line of flags. This offering of flags is the result of our research and sourcing efforts.

Simply put, flags used outside have a limited life. How long a flag will last varies significantly. Precipitation, exposure to sunlight, and wind speed are major factors in predicting how long a flag will last. What we are in control of is the material selection and stitching. These flags are all made of polyester. Polyester is our material of choice because it is more lightfast than other materials. Eventually the stitching on all flags used outside will give way. Polyester comes apart bit by bit

preventing those quick running tears other materials are prone to. We have also made sure that every flag is sewn with a double needle machine using polycore multifilament polyester thread.

In this catalogue we have made the transition to flags using grommets replacing rope and toggle. Grommet clips are available in the flag accessories section of this catalogue. All colour party flags are available with fringes and in both 6' x 3' and 54" x 27". Please note that flag protocol requires that the Canadian flag be at least as large as any flag displayed in our colours. It is our hope that offering an increasingly comprehensive line of flags will transition us into a source of flags for all members and branches.

Sgt-at-Arms Sash

Tradition is an important element in the function of a Legion branch and it is the duty of the Sergeant-at-Arms to see that the traditions of the Legion are maintained. The branch recognizes the office of Sergeant-at-Arms by bestowing a red sash, which is worn over the uniform. Legion Supply has sourced an improved version of this item made of more durable material, but most notably made in a single piece without the seam at the shoulder. The new seamless design makes the sash more comfortable and much tidier in appearance.

400153 Pair \$5.95

There are several components to a complete flag unit. There is the obvious flag, pike, pike top and stand. Offering sets including all of these components only results in forcing you to settle for something that is close to what you really wanted. This is why we are now distributing all flag components separately. All components are compatible with a few exceptions. The acorn tops will not fit on the wood pikes and the 1 1/4" wood pikes will not fit in the economy stands or angled wall bracket. Aside from these exceptions, the balance of tops will fit on any of the pikes.

Flag Pikes

Pikes are now available in a full range. The 1 1/4" diameter oak pike will not fit into the economy stand or angled wall bracket. All pikes are the standard 8' in height. The wood pikes thread together where the aluminum pikes contain an internal spring clip to hold them together. Pike tops, flags, and stands must be ordered separately. All pikes are supplied with the required "C" clips to hold the flag in place. Wood pikes are supplied with only one "C" clip as this is all that is required. All metal pikes are shipped with the required and installed wood plug necessary to mount all pike tops.

Branches and members of the Royal Canadian Legion hold as their foremost objective the Tradition of Remembrance for those who served in the defence of Canada. It stands to reason that national pride is demonstrated by the Legion through the display of the Canadian flag at branches and in public ceremonies through the year. Shown here are items essential to carry out those displays of patriotism.

Medal Display Boxes

We designed this medal box intended for use to both store and display medals. Overall measurements are 9" x 12" and 2½" high. Internally the display surface measures 8" x 11". Construction of this box is solid hardwood, merbau, which closely resembles cherry or dark mahogany. This well constructed box weighs a hefty 4¼ lbs. The entire interior of the box is lined with a plush blue ultrasuede. The display surface is removable for convenient placing of individual or court mounted medals. Only solid brass hardware is used for the hinges and hasp. The bottom of the box is finished with a nice felt so that the box may be prominently displayed without risk of scratching other fine furniture. This quality medal display/storage box represents very good value.

Shadow Boxes

It is the depth of a shadow box that provides the necessary dignity required to display medals. To date, there have been two major obstacles in obtaining shadow boxes. They either cost an arm and a leg or they are made with plastic or metal frames. With this in mind we undertook the search for shadow boxes of good quality with a reasonable price.

These shadow boxes are made with solid hardwood frames. The wood used is called merbau which, once stained, closely resembles cherry or dark mahogany. The measurements we provide, 6" x 9" and 9" x 12", are the internal frame measurements (size of the visible portion of the glass). Overall these shadow boxes measure 9" x 12" and 12" x 15". How solid are they? They weight 2.5 and 3.5 lbs respectively.

Both frames have identical construction. Their backs are completely removable allowing you to install court mounted and individual medals. The removable backing is lined on the display side with a plush blue ultrasuede and velveteen on the exterior. The face features real glass. Brass fittings are mounted on the rear for vertical and horizontal display.
