Lobbyist Registration	
Does an individual within your organization or a third party funding requested in this application meet the definition of a Act?  Yes No	• •
If yes, is your organization or the third party acting on your Registration Branch at Industry Canada?  Yes No (Please refer to instructions in the necessary to Register.)	behalf registered as a lobbyist with the Lobbyist e guidelines for guidance in taking the steps
Section 2: TCIF Project Description	
Please attach the following information and refe Complete Your TCIF Application (Step #2) for insensure that you have answered all relevant ques	structions when completing this section and
Part 1: Description of Consortium	
1. Name of applicant organization /consortium:	
2. Identify which of the following best describes	your consortium.

#### 3. Describe the structure and composition of your consortium.

Partnership established as a result of a joint training trust fund.

Please provide details on the following:

Other (please describe)

• the name of each consortium member, and the type of organization they represent (such as a union local, employer, contractors' association or other organization);

New/unique union-employer partnership formed specifically for TCIF funding

- the reason your consortium was created;
- the way the consortium collects funds for training (for example, contributions via joint training trust funds);
- how, or through what kind of process do your consortium partners/members participate in (eg. labour-management consultations regarding training needs and priorities) to ensure that workers are prepared to respond to industry requirements; and
- the partnerships established with others unions or locals who may be using the equipment.

As TCIF funding is limited, applicants are encouraged to list the requested equipment by order of priority and to identify if specific pieces of equipment need to be purchased jointly.

#### 4. Describe the piece(s) of equipment you are planning to purchase.

To describe each piece of equipment you are planning to purchase, please answer the following questions.

- Why the equipment is considered technologically advanced? How is this important for industry today? (It may be helpful to provide a copy of the manufacturer's specifications, if available.)
- Is the equipment replacing an existing, older or obsolete piece of UTC equipment?
- Is the equipment currently being used at work sites? If not, why is it important that workers receive training on this equipment?
- What is the estimated list price of each piece of equipment? Please include shipping; provincial and federal taxes as separate amounts.
- Is similar equipment being used at other nearby union training centres?

#### 5. Where will the equipment be housed / used?

• State the location(s) where the equipment will be housed and used.

### 6. How will the consortium fund their contribution to purchase the equipment and support the ongoing maintenance of the equipment?

- Does the consortium currently have funds to finance the 50-percent cash contribution towards the purchase of the equipment?
- What is the source of the consortium's cash contribution (for instance, will it come from contributions via a joint training trust fund)?
- What are the consortium's plans for funding additional project costs that are not cost-shared, such as costs for installation, equipment maintenance and training?

#### Part 3: Skill Acquisition

#### 7. Outline your training plan for the first year following the acquisition of the equipment.

#### a. Who will receive training?

- What are the occupations or trades of individuals who will have access to the equipment? Are these Red Seal or designated trades in the province where the union training centre is located? If not, are they non-designated trades?
- What are the technological changes impacting the skills required for this occupation?
- What technical skills or competencies will trainees develop by training on this equipment?
- How do you plan to market the training and maximize the number of potential trainees?
- How many people do you expect to train on the new equipment within a year of the equipment purchase? Approximately how many of these anticipated individuals are Red

Seal or designated trades journeypersons and how many are Red Seal or designated trades apprentices?

- Are these people currently employed? If so, within what industries do they work?
- What is the number of workers who could potentially benefit from training on this new equipment (your total membership; members of other unions, locals, organizations, etc.)?

#### b. How will they receive training?

- How will training on the new equipment be incorporated into your union training centre curricula? For example, will you offer a new course or incorporate the training into existing courses?
- How will you cover other training costs, such as instructor wages and costs for materials?

#### Part 4: Anticipated benefits of New Skills Developed

- 8. What are the anticipated benefits to industry of having tradeworkers trained on this equipment?
- 9. What are the anticipated benefits for tradeworkers who will receive training on this equipment?

#### **Section 3: Detailed Budget**

#### **Cash Contributions shared by TCIF and Consortium**

(*Please note that although these costs are estimates, TCIF reimbursement will be based on 50% of the actual costs*). When using federal funds to purchase goods and services of \$25,000 or more such as equipment, recipients will be required to ensure a fair and accountable process (i.e. obtain a minimum of three bids in order to select the bid offering the lowest cost or best value).

Please note that TCIF will not reimburse costs for equipment which has been purchased or ordered *prior* to having a finalized contribution agreement in place.

Expenditure Item	TCIF Contribution	Total Consortium Contribution	Total
EQUIPMENT: Name each piece of equipment separately and the corresponding estimated price (include PST)			
EQUIPMENT SHIPPING/ DELIVERY: List estimated cost associated with the shipping and delivery of the equipment named above			
GST: List the estimated GST for the purchase of the equipment and shipping /delivery costs			
TOTAL			

#### **Summary of Consortium Member's Cash Contributions**

Please list all funding sources, including each consortium member's contribution, HRSDC and any other sources related to the purchase of this equipment. If your project is receiving funding from other federal, provincial or municipal sources please provide the name of the department(s) and the funding program(s).

#### Section 5: An Act respecting the Ministère du Conseil exécutif, R.S.Q., c. M-30.

Any agency in Quebec funded with public money cannot receive federal grant or contribution funding without prior authorization of the provincial government. This form must be completed by the person representing the organization, if the organization is located in Quebec. It must be used for all funding applications pertaining to Human Resources and Skills Development Canada (HRSDC) programs and initiatives, except those exempted by an order under *An Act respecting the Ministère du Conseil exécutif*, namely *Summer Career Placements* and *Partners in Promoting Summer Employment*.

Under sections 3.11 and 3.12 of An Act respecting the Ministère du Conseil exécutif (hereinafter referred to as Act) certain Quebec entities, as defined in the meaning of the Act, such **municipal body, school body or public agency,** must obtain an authorization, as prescribed by the Act, before signing any agreement with the Government of Canada, its departments or agencies, or a federal public agency.

Consequently, any <u>entity that is subject to the Act is responsible for obtaining such</u> <u>authorization</u> before signing any agreement with HRSDC. This requirement does not apply to programs and initiatives exempt by order of the Quebec government, namely Summer Career Placements (SCP) and Partners in Promoting Summer Employment (PPSE). The Supporting Communities Partnership Initiative (SCPI) is also exempt by such an order, but only with respect to entities covered by section 3.12 of the Act.

Please review the relevant provisions of the Act, complete and sign this form, and return it to us along with all the required supporting documents.

#### Please complete:

1)	Under section 3.11, is the applicant (proposed particular meaning of 3.6.2 of the Act?  Yes	yee) a <i>municipal body</i> or <i>school body</i> within the  No
2)	Under section 3.12, is the applicant (proposed section 3.6.2 of the Act?	payee) a public agency within the meaning of
	Yes	No
3)	If an agreement is signed between applicant and agency, municipal body, school body or public ag	, 2
	Yes	No

If you answered "No" to all three questions, please sign below.

If you answered "Yes" to any question, you must do the following:

- Contact HRSDC's Training Center Infrastructure Fund office at: <u>nc-tcif-ficf-gd@hrsdc-rhdcc.gc.ca</u> for advice on how to proceed.
- Obtain the authorization from the Quebec government or the Minister of Canadian Intergovernmental Affairs (as the case may be) before signing the contribution agreement.
- Provide a copy of this authorization.

I certify that I have read and understood all the information above, and that the information I have supplied is accurate.
