

# ADOPT-A-BIRD

HELP OUR BIRD GALLERY

*Take Flight*

## ONE OF THE LARGEST COLLECTIONS OF CANADIAN BIRDS!

With a stunning array of more than 500 specimens, the Canadian Museum of Nature's new Bird Gallery has one of the largest collections of Canadian birds on display. Nestled in an all-new gallery covering more than 4,300 square feet, these magnificent specimens provide visitors with an appreciation for bird diversity. Complemented by sophisticated multi-media elements, interactive educational programming and kids area, this new signature gallery is a delight for bird enthusiasts of all ages.

A stroll through the Bird Gallery is like a journey across Canada. Visitors learn about the physical characteristics of birds, their behaviour, songs, geographic distribution, habitats and conservation efforts. Bird-watching techniques and tips are provided to help you identify species, in your backyard or on your travels. It's a field guide in 3D!

## HELP US FEATHER THEIR NESTS

Your contribution to the *Adopt-a-Bird* programme will help us maintain this important gallery and its precious resources. Thanks to generous donors like you, we're able to provide enjoyable and educational bird-related programmes for Museum visitors in person and at [nature.ca](http://nature.ca), as well as curriculum-related workshops for school groups. Your support also helps us in our efforts to inform the public about the impact of human activities on birds and their environments.

## TAKE US UNDER YOUR WING

You can choose your favourite Canadian bird and specify which species you would like to adopt. With a donation of \$50 or more, you'll receive an adoption certificate with the species name of your adopted bird. It's a perfect way to instill wildlife conservation values in your family. The Adopt-a-Bird programme also makes a wonderful gift for anyone who shares a love for our feathered friends.

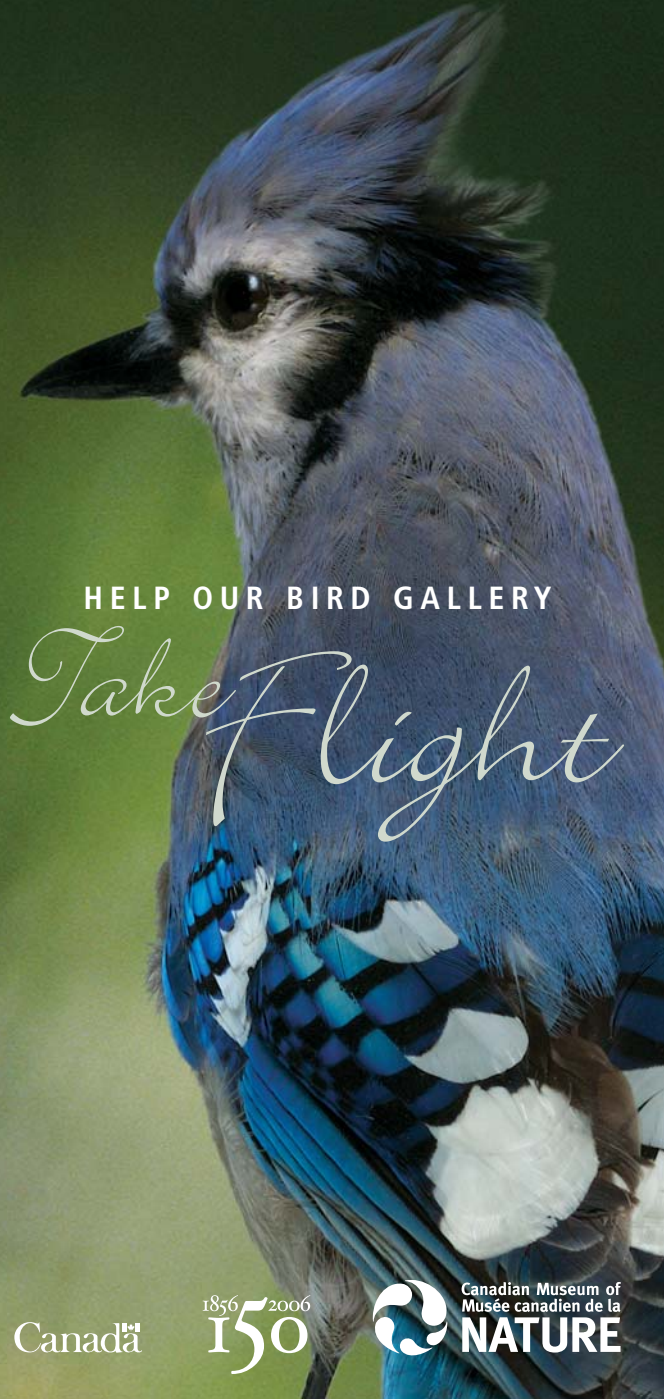

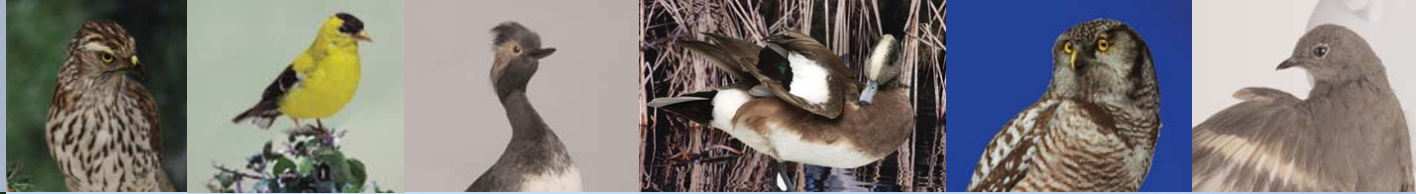

**To adopt your favourite bird, simply fill out the attached pledge form and return it to the Canadian Museum of Nature.**

For more information about the Adopt-a-Bird programme, call (613) 364-4141 or e-mail [investnature@mus-nature.ca](mailto:investnature@mus-nature.ca).
