Overview

This application is:

For a person **who was previously a Canadian citizen**, other than a person whose citizenship was revoked under the former or current Act, and who wishes to resume citizenship under subsection 11(1) of the *Citizenship Act*.

or

For a person who **lost Canadian citizenship as a minor** (under 21 years of age) between January 1, 1947 and February 14, 1977 when your responsible Canadian parent took up citizenship in another country or renounced Canadian citizenship and wishes to resume Canadian citizenship.

Subsection 11(1.1) of the *Citizenship Act*, allows persons who ceased to be citizens as minors to resume citizenship without becoming a permanent resident and without residing in Canada for a period of one year. If this is your case, you must use this guide **as well as** the attached [Appendix A, For Persons Who Lost Citizenship as Minors under Subsection 11 \(1.1\)](#).

Note: You are not eligible to resume Canadian citizenship under either subsection 11(1) or subsection 11 (1.1) if:

- you would have had claim to Canadian citizenship on January 1, 1947 but you lost British subject status prior to that date other than by marriage and, therefore, were never a Canadian citizen;

or

- you had your Canadian citizenship revoked under the 1947 *Canadian Citizenship Act* or under the current *Citizenship Act*.

In such cases, you must apply for Canadian citizenship using the *Application for Canadian citizenship -Adults* (CIT0002). You can obtain the application guide by visiting our [Web site](#) or by contacting the **Call Center**. (See the [Contact Information](#) section of this guide.)

You could lose your present nationality or citizenship if you resume your Canadian citizenship. You should ask the government authorities of the country of your present nationality if your status will be affected.

Before you apply

Read the instructions carefully. They contain important information. Be sure you are eligible the day before you sign and date your application. There is no refund of the processing fee.

Who can apply to resume their Canadian citizenship?

To qualify to resume your Canadian citizenship you must:

- have been a Canadian citizen;
- have lost your Canadian citizenship by means other than revocation;
- not be subject to any prohibition under the Citizenship Act (see [Section 9](#) of the application);
- not be under a removal order;

- have become a permanent resident of Canada after the loss of your Canadian citizenship;*
- have resided in Canada as a permanent resident for at least one (1) year immediately preceding the application.*

* these requirements do not apply to people applying under subsection 11(1.1)

What you must send with your application

Documents

If this is your first citizenship application you must send original or certified true copies of all your documents. If the documents you are submitting are certified true copies, an authorized person must swear or affirm that the copies are true copies of the originals. An authorized person can be a commissioner of oaths, a notary public or a justice of the peace.

If you have made a citizenship application in the past, you may send **a clear and legible photocopy** of your documents.

You **must** send:

- proof that you were once a Canadian citizen (for example, a birth certificate or a Canadian citizenship certificate);
- proof that you ceased to be a Canadian citizen (for example, a foreign naturalization certificate or a written notification issued by the Canadian Citizenship authorities advising that you are no longer a Canadian citizen);
- Canadian immigration record (either your *Record of Landing* (IMM 1000) or your *Confirmation of Permanent Residence* (IMM5292 or IMM5509) and both sides of your Permanent Resident Card (PRC) if you have one.
- at least two (2) pieces of personal identification, one of which must have your photograph, such as a driver's licence or a health insurance card. (If you do not have a photo ID please provide an explanation.)
- other documents, such as your marriage certificate and/or legal change of name certificate (if applicable).

Translated Documents

If supporting documents are not in English or French (for example, a marriage certificate issued in another country) you must supply a photocopy of each document, a translation and an affidavit from the person who completed the translation. Translations by family members are not acceptable.

Documents issued by the Quebec Government

Baptismal certificates, birth certificates, and marriage certificates issued by the government of Quebec before January 1, 1994 are no longer accepted for citizenship purposes. If you have one of these certificates, you must obtain a new document. This can be done by contacting the office of the Registrar of Civil Status of Quebec at one of the following numbers: Québec (418) 643-3900, Montréal (514) 864-3900, elsewhere in the province 1-800-567-3900. Information can also be obtained by visiting their Web site at: www.etatcivil.gouv.qc.ca.

Note: Additional documents may be required during the processing of your application.

Failure to include the necessary documents (e.g., two (2) pieces of identification) will result in delays in processing your application.

Photos

Your photo will appear on your wallet-size citizenship certificate.

You must provide two (2) citizenship photos taken within the last 12 months. Take the *Citizenship Photograph Specifications* form (CIT 0021), included in this application guide, to the photographer to make sure you get the correct size photos. When you have your photos taken, do not wear a head covering unless you wear one because of your religion.

When you pick up the photos at the photographer's, check to make sure the size of the photos is correct and ensure that the back of each photo is dated and identified by the photographer.

Signature on both application and photos

You must sign the application and photos. **If your application is not signed and dated it will be returned to you.** The signature on your application and your photos must match. Sign your name in black or blue ink, in the white signature area below each photo, in the same manner you would sign any other official document. Do not print. **Do not staple, glue or otherwise attach the photos directly to the application.**

See the section below for information on the current fee and method of payment.

Citizenship Fees

What fees are required?

You must pay a **processing fee** when you submit an application to resume Canadian citizenship. **The processing fee is \$100.00 per person.**

Note: Personal cheques and travellers' cheques are not acceptable forms of payment.

Are fees refundable?

The processing fee will not be refunded, regardless of the final decision, once the Case Processing Centre has started processing the application.

Can I pay my fees using the Internet?

You have the option of paying your fees through the Internet with a credit card from both inside and outside Canada.

Payment of fees on the Internet

You can pay your fees on the Internet with a credit card.

After you complete your application, go to our Web site at www.cic.gc.ca and select "On-Line Services" from the menu bar at the top, then "Payment of fees using the Internet".

Follow the instructions to the end of payment process. **At the end, you must print the CIC official receipt and fill out by hand the Payer Information Section. Then attach the bottom portion (copy 2) of this receipt to your completed application.**

Payment of fees at a financial institution within Canada only.

An original receipt (IMM5401) must be used; a photocopy is not acceptable. You can order an original receipt from our [Web site](#) or by contacting a Call Center Agent (see the [Contact Information](#) section).

STEP 1. Use this chart to calculate the fees required

	Number of Persons	Amount per Person	Amount Due
Resumption of Canadian Citizenship		x \$100	
Total			\$

STEP 2. Fill out one receipt form (IMM 5401) for yourself and **other members of your family** if you are applying at the same time.

STEP 3. Insert the **Total** on line **09 Citizenship or Immigration Services Fees**. Do **not** complete the top two portions of the receipt; these will be completed by the financial institution.

- STEP 4.** Complete the "Payer Information" sections on the reverse of the receipt. If you already have an open file and know the client identification number that we have assigned to you, enter the number in the box provided for that purpose. If not, leave that box empty.
- STEP 5.** Bring the receipt and your payment to the financial institution. Do **not** make payment using the automated teller machines.

Where can the fees be paid?

Payment can be made at most financial institutions in Canada. Check with financial institutions in your area.

Note: There is no banking charge to pay. The service is free.

What if there is no local financial institution which will accept payment?

In this situation, you may pay the fees by mail. Phone a **Call Center Agent** for instructions (see the [Contact Information](#) section).

What does the financial institution do?

The financial institution will stamp and insert the amount paid in the upper two portions of the receipt. You will receive the top two portions of the receipt. **Make sure you are given these and that they have been stamped and completed before you leave the financial institution.**

Note: Do not present your application to the financial institution, only your receipt.

What do I do after I have paid the fees?

Retain the top portion (Copy 1 - Client's copy) of the receipt which you have been given for your records. Attach the middle portion (Copy 2 - To be sent by client to Citizenship and Immigration Canada) to your completed application and mail it to the Case Processing Centre. Do **not** send any other form of payment with your application.

How to Complete Your Application

If you are applying for resumption of citizenship under subsection 11(1), before completing the application to resume Canadian citizenship, calculate your residence time to determine whether you qualify to apply now. You must be a permanent resident residing in Canada for at least one year (365 days) immediately before the date you sign your application. Time spent on probation, on parole, or in prison during this year may not qualify as residence time. If you left Canada during this year, you may still apply to resume citizenship, but it will be up to a judge to determine if your absences affect your application. These permanent resident and residence requirements do not apply to you if you lost your citizenship as a minor and you are applying to resume citizenship under subsection 11(1.1). If you have questions about your residence, contact the Call Center (see the [Contact Information](#) section).

Follow the instructions carefully. **Delays will result if the application is not properly completed, or if all of the necessary documents have not been submitted.** If you need more space to answer any questions use an extra sheet of paper and indicate the number and/or letter of the question you are answering.

Warning: If you send us an application that has any misleading or fraudulent information on it, you can be charged with a criminal offence under federal law and your application to resume citizenship could be refused.

Follow these step-by-step instructions

Section 1

You must indicate whether you are applying for resumption of Canadian citizenship as:

- a person who ceased to be a Canadian citizen as an adult and wishes to resume citizenship under subsection 11(1) of the *Citizenship Act*.

or

- a person who ceased to be citizen as a minor (under 21 years of age) between January 1, 1947 and February 14, 1977 when their responsible Canadian parent took up citizenship in another country or renounced Canadian citizenship, and wishes to resume under subsection 11(1.1) of the *Citizenship Act*.

Section 2

You must indicate whether you would like service in English or French.

Section 3

You must indicate if you have any special needs. Special needs are described as:

- wheelchair access
- sign language interpretation
- personal assistance (for example, you will be accompanied by a care attendant, an interpreter, a seeing eye dog, a sighted guide, etc.)

Section 4

You must indicate if you have ever applied to resume Canadian citizenship before. Check "No" or "Yes". If "Yes", indicate when you last applied.

You must indicate if you have ever had a certificate of Canadian citizenship. Check "No" or "Yes". If you check "Yes", indicate the family name, given names, certificate number and the date the certificate was issued.

You must indicate whether you have previously returned the certificate of Canadian citizenship and/or the pink transmission copy of a certificate, or whether you are returning it with this application. If the certificate is not being returned, you must tell us if it was stolen, lost, or destroyed. Indicate if the theft or loss was reported to police and give the details, (e.g., a copy of the police report).

You **must** return any Canadian citizenship certificates in your possession. **Failure to do so will result in delays in processing your application.**

Section 5

If you are applying under subsection 11(1.1) follow the instructions for [Section 5](#) in appendix A

- A. Indicate your family name and given name(s), as they appear on your *Record of Landing* (IMM 1000), Permanent Resident Card (PRC) or *Confirmation of Permanent Residence* (IMM 5292 or IMM 5509).

The name on your certificate of Canadian citizenship will be the same as the one shown on your *Record of Landing* (IMM 1000), Permanent Resident Card (PRC), or *Confirmation of Permanent Residence* (IMM 5292 or IMM 5509) unless you have legally changed it after arriving in Canada. A legal change of name must be supported by a copy of an approved amendment to your *Record of Landing*, Permanent Resident Card, *Confirmation of Permanent Residence*, or a provincial/territorial legal change of name document, or a provincial/territorial adoption order.

You may request that the certificate of Canadian citizenship show a different name, if you can provide provincial/territorial identification reading exactly the same as the name you are requesting. Examples of documents that you could provide are: health insurance card, driver's licence or an official school record issued by the provincial/territorial department responsible for Education. Foreign documentation may also be accepted.

If this change is significant, linking documentation showing the use of both old and new names, or the basis for the change, will be required as well as the provincial/territorial document. Examples of linking documents include a marriage certificate, a foreign change of name certificate, an adoption order, or a foreign passport showing both names.

Note: You cannot request a change of name **after** your application has been submitted to the Case Processing Center in Sydney, Nova Scotia

Note: If you requested an amendment to your *Record of Landing* or *Confirmation of Permanent Residence*, you will need to provide both your original *Record of Landing* or *Confirmation of Permanent Residence* and the letter you received confirming the change(s) you requested have been done.

If the date of birth on the *Record of Landing*, *Confirmation of Permanent Residence* or *Permanent Resident Card* is not your correct date of birth, it may be possible to change the information in your immigration records. Your *Record of Landing*, *Confirmation of Permanent Residence* or *Permanent Resident Card (PRC)* will be changed only to correct mistakes made by Citizenship and Immigration Canada in recording the information you provided when you applied to come to Canada. You must obtain the correct version before submitting your application for citizenship.

Do not apply for citizenship until you have received a response to your request. Include your new corrected *Permanent Resident Card* or the letter of amendment and your original *Record of Landing* or *Confirmation of Permanent Residence* with your citizenship application. You may not change your birth date during the processing of your application for citizenship.

This guide does not provide general information about amending your *Record of Landing* (IMM 1000), *Confirmation of Permanent Residence* (IMM 5292 or 5509) or *Permanent Resident Card (PRC)*. Section 14

(a) National Register of Electors - Authorization

When you resume Canadian citizenship, you will have the right to vote in federal elections and referendums. In order to vote, your name must be on the list of electors, a list that tells election officials who can vote. The list of electors is produced from the information contained in the National Register of Electors, a database created and maintained by Elections Canada.

It is important to have your name added to the National Register of Electors as soon as your citizenship is resumed, so that your name will be automatically included on the list of electors when a federal election or referendum is called. To have your name added, you must check the "yes" box in section 14(a).

If you check the "yes" box in Section 14 (a):

- You authorize Citizenship and Immigration Canada to provide your name, address, gender and date of birth to Elections Canada so that your name can be added to the National Register of Electors.
- Your information will be provided to Elections Canada only after your Canadian citizenship has been resumed.

If you check the "no" box in Section 14(a):

- Citizenship and Immigration Canada will not give your information to Elections Canada.
- You will not be on the list of electors automatically.
- You will still have the right to vote in federal elections and referendums.
- In the event of an election or referendum, you will have to take the necessary steps to be put on the list before you can vote, which means you will have to provide adequate identification that includes your name, address, and signature.

Your personal information is protected

Citizenship and Immigration Canada cannot provide information to Elections Canada without your consent. Information contained in the National Register of Electors can only be used for electoral purposes, as described in the *Canada Elections Act*. Your information is also protected by the *Privacy Act*.

For more information, call toll-free: 1-800-INFO-VOTE (1-800-463-6868) or visit the [Elections Canada Web site](http://www.elections.ca) (www.elections.ca).

(b) Québec's Permanent List of Electors - Authorization

For Québec residents only.

When you resume your Canadian citizenship, you will have the right to vote. As soon as you become a Canadian citizen, you may want to have your name entered on Québec's Permanent List of Electors.

What is Québec's Permanent List of Electors?

The Permanent List of Electors is the registry of persons who are entitled to vote during elections and referendums in Québec. Those persons whose names appear on this list have the right to vote in provincial, municipal and school elections. The Chief Electoral Officer of Québec is responsible for drawing up and updating the Permanent List of Electors.

If you check the "yes" box in Section 14 (b):

- You authorize Citizenship and Immigration Canada to provide your name, address, gender and date of birth to the Chief Electoral Officer of Québec so that your name can be added to the Permanent List of Electors;
- Your information will be provided to the Chief Electoral Officer of Québec only after you resume your Canadian citizenship.

If you check the "no" box in Section 14 (b):

- Citizenship and Immigration Canada will not give your information to the Chief Electoral Officer of Québec;

- To be able to vote in a provincial, municipal or school election, you will have to go to the revision office and present two supporting documents to register your name on the list of electors.

Your personal information is protected.

Under the *Election Act* of Québec, the information provided by Citizenship and Immigration Canada to the Chief Electoral Officer may only be used for election purposes. The computer systems of Citizenship and Immigration Canada and those of the Chief Electoral Officer of Québec are not linked. Citizenship and Immigration Canada will not disclose to the Chief Electoral Officer of Québec the information needed to register you on the Permanent List of Electors without your consent.

For more information, call toll-free: 1-888-ELECTION (1-888-353-2846) or visit the [Chief Electoral Officer of Québec](#) Web site (www.dgeq.qc.ca).

Section 15

You must **sign** the application with the signature you currently use on other official documents. Indicate where and when (date and place) you signed your application. Make sure you are eligible to resume citizenship before that date because the application fee is not refundable.

You must **sign** the bottom of the photographs with the same signature used on the application and on other official documents.

The application must be **signed and dated** before it is sent for processing. Citizenship and Immigration Canada will use the date you sign your application for the purpose of determining whether you meet the applicable criteria. If your application is not signed and dated, it will be returned to you. Your application will also be returned to you if it is stale-dated (we receive an application signed more than three (3) months ago) or if it is post-dated (we receive an application dated into the future).

Make sure that you are eligible to resume Canadian citizenship on the day before you sign the application.

Section 16

The individual, including family members or an authorized officer of a firm or organization, who assisted in the completion of this application, **must** complete and sign this section.

Where to Send Your Application

On the envelope to mail your application, print:

Your Name
Your Address
Your Postal Code

**Case Processing Centre - Sydney
Resumption
P.O. Box 10000
SYDNEY NS B1P 7C1**

If you are sending more than one application (for example, applications for family members), you may send one receipt to cover all applications. Mail the receipt and all applications together in one envelope so that they will be processed together.

What Happens Next?

Once your application is received at the Case Processing Centre (CPC) in Sydney, Nova Scotia, it will be reviewed and processing will begin.

Some applications may encounter delays and require more time for processing. In these cases, you will be contacted for more information, or asked to supply additional documents. You may be asked to appear in person before a citizenship judge.

If you meet the requirements to resume citizenship, your local citizenship office will let you know when and where to go to attend a citizenship ceremony. At the ceremony you will take the oath of citizenship and receive your citizenship certificate.

Remember: You must advise us of any change of address or telephone number by contacting the Call Center at 1-888-242-2100 or by using our "On-line Services - Change of Address" feature offered on our [Web site](#). If you are residing outside Canada, contact the Canadian embassy, high commission or consulate responsible for the area where you live.

Citizenship and Immigration Canada has a quality assurance program. In this program, some applications are randomly selected for special review. The review means that you might be called to an interview with a Citizenship and Immigration Canada official, so that we can make sure that all the documents you gave us are correct, and that your application was completed properly. The interview is very short, and should not result in any delay to the processing of your application.

Citizenship Fees

If you are applying within Canada, see the [Citizenship Fees](#) section in the guide for information on the current fee and acceptable methods of payment.

If you are applying for resumption of citizenship and you are residing outside Canada, you have the option of either paying your fees through the Internet (refer to [Citizenship Fees](#) section in the attached guide) or contact the Canadian embassy, high commission or consulate responsible for the area where you live for information on other acceptable methods of payment.

Documents

If this is your **first** citizenship application you must send original or certified true copies of all of your documents. If the documents you are submitting are certified true copies, an authorized person must swear or affirm that the copies are true copies of the originals. An authorized person can be a commissioner of oaths, a notary public or a justice of the peace.

If you have made a citizenship application in the past you may send clear and legible photocopies of your documents.

You must send:

1. two (2) pieces of personal identification (for example, a driver's licence, a health insurance card or a copy of your passport page containing your photo and personal details);
2. Either A or B:

3. other documents, such as your marriage certificate and/or legal change of name certificate (if applicable).

Translated Documents

If supporting documents are not in English or French (for example, a marriage certificate issued in another country) you must supply a photocopy of each document, a translation and an affidavit from the person who completed the translation. Translations by family members are not acceptable.

Documents Issued by the Quebec Government

Baptismal certificates, birth certificates and marriage certificates issued by the government of Quebec before January 1, 1994 are no longer accepted for citizenship purposes. If you have one of these certificates, you must obtain a new document. This can be done by contacting the office of the Registrar of Civil Status

Where to Send Your Application

From Inside Canada

Refer to the [Where to Send Your Application](#) section in the attached guide.

From Outside Canada

Once you have completed all sections of your application, submit the application to the Canadian embassy, high commission or consulate responsible for your area, even if you have paid your fees on the Internet.

If you are sending more than one application (for example, applications for family members), you may send one receipt to cover all applications. Submit the receipt and all applications together in one envelope so that they will be processed together.

What Happens Next?

Once your application is received at the Case Processing Centre (CPC) in Sydney, Nova Scotia, it will be reviewed and processing will begin.

Some applications may encounter delays and require more time for processing. In these cases, you will be contacted for more information, or asked to supply additional documents. You may be asked to appear for an interview in front of a citizenship judge.

If you meet the requirements to resume citizenship and you reside in Canada, your local citizenship office will let you know when and where to go to attend a citizenship ceremony. At the ceremony you will take the oath of citizenship and receive your citizenship certificate.

If you reside outside Canada and you meet the requirements to resume citizenship, the Canadian embassy, high commission or consulate responsible for your area will contact you and schedule an appointment for you to take the oath of citizenship and receive your citizenship certificate. Requests to take the oath in Canada will be assessed on a case-by-case basis.
