

Letter of Acceptance

Background

After consultation with stakeholders, Citizenship and Immigration Canada has produced a standardized letter of acceptance to be filled out by educational institutions. Completing the letter of acceptance correctly will facilitate the initial processing of the student's application at missions abroad and ports of entry as well as future applications for extensions of study permits in Canada.

As changes to this form may need to be made in the future, institutions with computer-generated registration systems may wish to wait a while before reprogramming their computer systems to include this letter.

Completion of form

The letter of acceptance from the institution must include the institution's letterhead, full mailing address, telephone and fax numbers, and e-mail and Web site addresses if applicable.

Please note that **all** information required in the sample letter of acceptance should be provided by the educational institution.

However, some information may not be applicable or may not be known at the time of application. If the information is not applicable, please indicate **N/A**. If the information is not known, indicate **N/K**.
