Q3J Page: 20

Now, turning to the issue of crime and justice, please tell me how likely it is that you will be the victim of a violent crime within the next year.

Q8 Page: 21

How likely is it that you will be the victim of a property crime within the next year?

Q9 Page: 22

Within the past 12 months, have you been a victim of property crime?

VPC1 Page: 23

Within the past 12 months, have you been a victim of a violent crime?

VVC1 Page: 24

Over the past 10 years, would you say that the crime rate in Canada has been increasing or decreasing?

Q10 Page: 25

Over the past 10 years, would you say that the crime rate in your community has been increasing or decreasing?

Q10A Page: 26

Extent to which...
Violence against minorities
...is increasing or decreasing

Q11B Page: 27

Extent to which...
School-based violence
...is increasing or decreasing

Q11C Page: 28

Extent to which...
Violent crimes committed by youth
...is increasing or decreasing

Q11D Page: 29

Extent to which...
Property crimes committed by youth

Impact on crime...
Violence in the media

Q12B2 Page: 41

Impact on crime...
Poor economy

Q12B3 Page: 42

A moment ago, you said that Today's public education system has an impact on crime in Canada. Would you say that Today's public education system increases or decreases crime?

F12A1 Page: 43

A moment ago, you said that Today's criminal justice system has an impact on crime in Canada. Would you say that Today's criminal justice system increases or decreases crime?

F12A2 Page: 44

A moment ago, you said that Today's health and social services has an impact on crime in Canada. Would you say that Today's health and social services increases or decreases crime?

F12A3 Page: 45

Which of the following four possibilities should be the main goal of the criminal justice system?

Q15 Page: 46

One of the goals of crime prevention and law enforcement is to reduce the economic and social costs of crime to society. Of the following two approaches, which would you say is more cost-effective?

Q16 Page: 47

Which of the following two statements comes closest to your own view?
The best way to prevent crime is by giving young people opportunities. The best way to prevent youth crime is through increased law enforcement.

Q17 Page: 48

Suppose you were the Prime Minister for a day and you had to choose how to invest an extra \$10 million in order to reduce crime. I am going to read you a list of two alternative choices for spending and ask you to choose the one that you think would be most effective in reducing crime.

FC11 Page: 49-50

Table of Contents

Are you aware of any crime prevention/community safety programs in your community? Can you identify one of these programs?
 Q18 Page: 51

When thinking about programs that address the underlying factors/causes of crime, which of the following would you say is the BEST reason for having these types of crime prevention activities and programs? Is it because crime prevention activities and programs...
 Q20 Page: 52

Extent that...
 Police
 ...can successfully implement crime prevention programs
 Q21A Page: 53

Extent that...
 Community and volunteer groups
 ...can successfully implement crime prevention programs
 Q21C Page: 54

Extent that...
 Schools
 ...can successfully implement crime prevention programs
 Q21D Page: 55

Extent that...
 Small businesses
 ...can successfully implement crime prevention programs
 Q21F1 Page: 56

Extent that...
 Large businesses
 ...can successfully implement crime prevention programs
 Q21F2 Page: 57

How appropriate is...
 Funding and supporting local crime prevention programs in communities
 ...as a role for the Federal Government
 Q22A Page: 58

How appropriate is...
 Conducting research to further knowledge on crime prevention
 ...as a role for the Federal Government
 Q22B Page: 59

Table of Contents

How appropriate is...
Evaluating the effectiveness of federally-funded community crime prevention programs
...as a role for the Federal Government

Q22D Page: 60

How appropriate is...
Raising awareness of crime prevention across Canada
...as a role for the Federal Government

Q22E Page: 61

How effective would you say crime prevention programs are? Please respond using a 7-point scale where 1 means not at all effective, 7 means extremely effective, and the mid-point 4 means moderately effective.

Q23 Page: 62

To what extent would crime prevention also produce benefits in...
Improving the health and well-being of children and youth

Q24B Page: 63

To what extent would crime prevention also produce benefits in...
Reducing substance abuse

Q24E Page: 64

To what extent would crime prevention also produce benefits in...
Reducing social assistance costs

Q24F Page: 65

To what extent would crime prevention also produce benefits in...
Reducing health care costs

Q24G Page: 66

To what extent would crime prevention also produce benefits in...
Lowering unemployment

Q24H Page: 67

Currently the Federal Government spends about \$2 per Canadian per year on Crime Prevention (or \$64 million per year). Do you think the government should invest more, less or about the same.

Q25 Page: 68

Agreement with:
I really think that my community needs more crime prevention programs

Q28A Page: 69

Table of Contents

Agreement with:

I really worry that if Canada puts more emphasis on crime prevention, we will get soft on crime

Q28C Page: 70

Agreement with:

I don't believe that it is possible to prevent people from committing crimes.

Q28E Page: 71

Agreement with:

Every dollar invested in crime prevention today will reduce the future cost of policing and of administering the courts and prison system.

Q28H Page: 72

Agreement with:

If I saw research evidence that crime prevention works, I would be a lot more likely to support increasing public funding for it.

Q28J Page: 73

How interested would you be in participating in a crime prevention program in your community?

Q30 Page: 74

What is your age, please?

AGE Page: 75

What is the language that you first learned at home in childhood and still understand?

LAN1 Page: 76

Which of the following types best describes your current household?

HOUSE Page: 77

What is the highest level of schooling that you have completed?

EDUC Page: 78

Which of the following categories best describes your CURRENT employment status?

EMPLO Page: 79

What was your annual HOUSEHOLD income from all sources before taxes in 2002?

INCME Page: 80

Do you consider yourself to belong to any of the following groups?

MINOR Page: 81

Currently the Federal Government spends about \$2 per Canadian per year on Crime Prevention (or \$64 million per year). Do you think the government should invest more, less or about the same.
