- Possess a valid study permit;
- Am not a recipient of a Canadian Commonwealth Scholarship Program or a Government of Canada Awards Program funded by the Department of Foreign Affairs and International Trade (DFAIT);
- Am not funded by the Canadian International Development Agency (CIDA);
- Have not previously been in non-compliance with the conditions and eligibility requirements of an off-campus work permit;
- Am not an exchange student;
- Understand that work permits for internships/coop placements and work permits for the off-campus program are not interchangeable.

Additionally, if approved for the work permit, I will:

- Possess a valid study permit for the duration of the work permit;
- Remain a full-time student in a participating institution;
- Maintain satisfactory academic standing in my program of study;
- Only work the number of hours designated on my work permit, which are: up to 20 hours per week during the regular academic session/year and full time during scheduled breaks (i.e., winter, spring and summer breaks).

If, after being issued a work permit, I become ineligible (i.e., I am no longer a full time student or do not have satisfactory academic standing, or have transferred to an institution that is not participating in the program), I will:

- Inform my employer that I am no longer authorized to work, and
- Surrender my work permit to CIC.

If I transfer from one participating institution to another, I will request that the Designated Institutional Representative (DIR) at my previous institution send my Verification Form, along with my Student Acknowledgement and Consent Form, to the DIR at my new institution.
