

Allison Farrand

403-299-2780

Pursuant to the *Federal Coordination Regulations*, the Agency requests that you inform this office by June 3, 2005 whether your department or agency:

a) Has now, or anticipates identifying on the basis of the information provided to date, a responsibility under section 5 of the Act to assess the environmental effects of the proposed project (i.e., has a trigger)

potential RA until confirmation of pipe/rail crossing agreements

Yes (X) No ()

b) Can provide specialist advice to a responsible authority pursuant to section 12(3) of the Act with respect to an environmental assessment of the proposed project

Yes () No ()

When a federal authority determines that additional information is required to make a determination in a) or b) above, the proponent must be notified within 10-days of the federal authority making that determination. Please notify this office as soon as possible and no later than June 3, 2005 if your department or agency:

c) Requires additional information to make a determination referred to in a) or b) above

Yes () No ()

If additional information is required, please specify:

Please provide a departmental/agency contact and return this form by email to tony.epp@ceaa-acee.gc.ca. Thank you.
