To Whom It May Concern:

Re: **Enbridge Inc.'s Gateway project**

The Enbridge Gateway project proposal to build a crude oil pipeline from the tar sands in Alberta to the BC coast is of great concern to the Wet'suwet'en. The proposed pipeline will pass through Wet'suwet'en territory that is of critical importance to the Wet'suwet'en, and therefore the Office of the Wet'suwet'en require full consultations to ensure that our Aboriginal Rights are respected and accommodated. Please contact me to so that we set up a consultation process.
