

**NAFTA TWG on Pesticides Public Information Session**  
12:30 - 5:00 PM, October 27<sup>th</sup>, 2003  
Renaissance Room, Chateau Laurier

**Action Items**

**1) Introduction**

- The Workplan will be finalized and translated for posting to the Web, and that, under the Food Residue Subcommittee, the Canadian contact for the project “Analyzing MRLs” will be Ariff Ally.

**2) Food Residue Subcommittee**

Action items:

- ▶ There will be further discussion of the resolution of MRL/tolerances at the next Executive Board Meeting.

**3) Risk Reduction Subcommittee**

Action items: NONE

**4) Joint Review Subcommittee**

Action items:

- ▶ Determine the status and timing of GHS implementation for each country (e.g. simultaneous implementation vs. separate implementation)

**5) Regulatory Capacity Building Subcommittee**

Action items:

- ▶ Obtain presentation slides on electronic submissions from Micheline Zdunich for information distribution among meeting attendees.

**6) Review of 5-Year plan and Workplan**

- The 5-Year Strategic Plan, and the Workplan that was prepared in response to comments, will be finalized and distributed / posted on the Web before the NAFTA Stakeholder meeting in Vancouver. The target date for posting is November
- Indicated that communication on issues and projects (current and proposed) is invited with the Secretariat. In particular, items for the agenda of the stakeholder meeting are to be sent to the Secretariat by November 7, 2003.
- Action items:

- ▶ Secretariat to work out draft agenda for Vancouver meeting based on stakeholder input and results from last TWG stakeholder meeting (New Orleans - 2002).

### **7)All Projects**

- ▶ Project sheets will be updated on the PMRA website.
- ▶ Closed project sheets will be updated as Accomplishment sheets and posted on the web.

### **8) Open Forum for Questions from Stakeholders**

#### Action items:

- ▶ Ariff Ally is examining the comments received concerning issues around progress on the regionalization of zone maps.
