Totals may not equal the sum of components due to rounding and suppression.

See technical notes for designated group definitions and Aboriginal peoples undercount.

"-" Amount too small to be expressed.

"--" Figures are suppressed when coefficient of variation of the estimate is higher than 33.3%. In this case, percentage calculation is not suitable.

*** If an * precedes the figure, the figure should be used with caution. The coefficient of variation of the estimate is between 16.7% and 33.3%.

** = There are no data on Persons with Disabilities by citizenship status. Population figures **only** include those aged 15 to 64.

N/A = Not available

¹ = The population excludes persons living in institutions, on Indian reserves, and in the Yukon, Northwest Territories and Nunavut.

² = Canada totals exclude the Yukon, Northwest Territories and Nunavut.

³ = Only applies to Persons with Disabilities data, please see technical notes for details.

Not Applicable ³													--	

Totals may not equal the sum of components due to rounding and suppression.

See technical notes for designated group definitions and Aboriginal peoples undercount.

"-" Amount too small to be expressed.

"--" Figures are suppressed when coefficient of variation of the estimate is higher than 33.3%. In this case, percentage calculation is not suitable.

*** If an * precedes the figure, the figure should be used with caution. The coefficient of variation of the estimate is between 16.7% and 33.3%.

** = There are no data on Persons with Disabilities by citizenship status. Population figures **only** include those aged 15 to 64.

N/A = Not available

¹ = The population excludes persons living in institutions, on Indian reserves, and in the Yukon, Northwest Territories and Nunavut.

³ = Only applies to Persons with Disabilities data, please see technical notes for details.
