Ref. 2006-H-11

The Canadian Nuclear Safety Commission (CNSC) will hold a two-day public hearing on the application by Cameco Corporation, for the renewal of the operating licence for the Blind River Uranium Refining Facility, located in Blind River, Ontario.

Cameco Corporation has applied for the renewal of its licence until February 28, 2012.

Hearing Day One: October 5, 2006

Place: CNSC Public Hearing Room, 14th floor, 280 Slater Street, Ottawa, Ontario

Hearing Day Two: December 13, 2006

Place: CNSC Public Hearing Room, 14th floor, 280 Slater Street, Ottawa, Ontario

Public hearings follow the agenda published prior to the hearing date.

The public is invited to comment on the application by providing a written submission and, if so desired, making an oral presentation that summarizes the written submission on Hearing Day Two. Requests to intervene must be filed with the Secretary of the Commission by November 10, 2006 at the address below along with a request, if so desired, to make an oral presentation. In accordance with the *Canadian Nuclear Safety Commission Rules of Procedure*, requests to intervene must include a written submission and, where applicable, the complete text of any oral presentation to be made to the Commission.

Agendas and information on the hearing process are available at the CNSC Web site: www.nuclearsafety.gc.ca. Hearing documents (submissions) are not available on-line and must be requested through the Secretariat at the address below:
