ERRATA

Cameco Corporation Mid-term Performance Report on the Operation of the Cameco Corporation's Port Hope Uranium Conversion Facility

On the cover page, the word "Applicant" is replaced with "Licensee".

On the page immediately prior to the Table of Contents:

- a) the word "Applicant" (two instances) is replaced with "Licensee";
- b) the line "Application received: N/A" is removed;
- c) the name "D. McLaughlin, Ontario Ministry of the Environment" is moved from the group identified as "Applicant Represented By" (as amended) to a new category of participant titled "Other Contributors";
- d) the following persons are added to the list of "Other Participants":
 - J. Verdirame, Emergency Management Ontario
 - D. McLaughlin, Ontario Ministry of the Environment

In subsection 3.1.2.1, page 5, the organization identified as "International Commission on Radiation Protection" is replaced with "International Commission on Radiological Protection".

Marc Leblanc
Secretary of the Commission
