

# Record of Proceedings – Errata

In the Matter of

Licensee	<u>Zircatec Precision Industries Inc.</u>
Subject	Mid-term Performance Report on the Operation of the Port Hope Fuel Fabrication Facility
Date	June 20, 2005

## ERRATA

### **Zircatec Precision Industries Inc. Mid-term Performance Report on the Operation of the Port Hope Fuel Fabrication Facility**

On the cover page, the word “Applicant” is replaced with “Licensee”.

On the page immediately prior to the Table of Contents:

- a) the word “Applicant” (two instances) is replaced with “Licensee”;
- b) the line “Application received: N/A” is removed;
- c) the following persons are added to a new category of participant identified as “Other Participants”:
  - J. Verdirame, Emergency Management Ontario
  - D. McLaughlin, Ontario Ministry of the Environment

In the Table of Contents, the subsection titled “Commission’s Views on Environmental Protection” is renumbered as subsection 3.2.7.

In subsection 3.1.1, page 4, paragraph 4, the organization identified as “Workplace Safety Investigation Board” is replaced with “Workplace Safety and Insurance Board”.

In subsection 3.1.2.1, page 5, the organization identified as “International Commission on Radiation Protection” is replaced with “International Commission on Radiological Protection”.

The subsection titled “Commission’s Views on Environmental Protection” is renumbered as subsection 3.2.7.

The two lines below the signature block on page 23 are replaced with the following:

Date of hearing, February 23, 2005

Date of release of Record of Proceedings, May 18, 2005
