- 8. Spook-tacular Craftse
- 9. Stargazing

 **Haunted Melodies**

2006 HALLOWEEN

1 **Ghoulish Guessing Game**

Guess how many candies are in the jars. The closest estimate for each jar, without going over, wins.

From 5:30 p.m. to 9:00 p.m.

DISCLAIMER: Those visitors with E.S.P. (Extra-Sensory Perception), x-ray goggles, or mutant or magical counting abilities are excluded from the Ghoulish Guessing Game.

2 **Junior Detectives Science Lab**

Find out who stole the Museum's Halloween candy. Analyse hair and fingerprint samples in order to help you track down the culprit.

From 5:30 p.m. to 8:30 p.m.

Haunted Melodies

No one knows when it first started, but a piano from our collection has been playing on its own now for many years.

3 **Haunted Locomotive Hall Tour**

Join our guides for a spine tingling tour of our haunted Locomotive Hall. Keep your eyes open for clues that will lead you to the stolen stash of candy!

From 5:30 p.m. to 8:30 p.m.

4 **The Gross-out Workshop**

Make open wounds, fake blisters, and your very own slime at this workshop. **WARNING:** Not for the squeamish!

From 5:30 p.m. to 8:30 p.m.

5 **Crazy Kitchen Chemistry**

Make your own fizzing candy, or create a bubbling cauldron at this spook-tacular activity.

From 5:30 p.m. to 8:30 p.m.

6 **Creepy Cryogenics**

Take in the popular cryogenics demonstration performed by one of our ghoulish guides.

7 p.m. and 8:15 p.m.

7 **Spooky Stories**

Listen to a terrifying tale complete with creepy sound effects and a few unexpected chills. Join us if you dare...

From 5:30 p.m. to 8:30 p.m.

8 **Spook-tacular Crafts**

Create a secret message using our special 'bloody' paper, or make a spooky spider magnet for your fridge at home!

From 5:30 p.m. to 8:30 p.m.

9 **Stargazing**

Learn more about astronomy when you meet with members of The Royal Astronomical Society of Canada. (Weather permitting)

From 6:30 p.m. to 8:30 p.m.
