## MARCH BREAK HANDS-ON SCIENCE AND TECHNOLOGY CAMPS

**March 12 to 16, 2007 — space is limited, so book early!** Attention all space adventurers, budding scientists and engineers: come explore, discover and experiment with us in an action-filled week limited only by your imagination. Choose from **March Break Camp I** (6 to 8 years), or **March Break Camp II** (9 to 12 years). Registration begins December 4, 2006.

## SUMMER DAY CAMPS

Take some gizmos and gadgets, add a dash of innovation, mix in some discovery, and combine with a group of trained camp leaders, and you've got the ultimate in science camps! Unlock the secrets of science, technology and engineering through hands-on activities and take-home projects. All of our popular summer camps include indoor and outdoor activities, and are geared to children ages 6 to 8 and 9 to 12. Please check our website for details. Registration begins February 19, 2007.

If you booked a camp in 2006, you will automatically receive our new brochure in January 2007. If you have not previously reserved a camp with the Museum, you can request a brochure by contacting us at [cts@technomuses.ca](mailto:cts@technomuses.ca). Please include your full mailing address.

## SLEEPOVERS

### Fridays and Saturdays

Pack your enthusiasm, your toothbrush and a sleeping bag, and join us for an exclusive night in the company of a Museum guide. Your group will sneak into the heart of our exciting exhibits,
