Subject : Re: Hey Steve! Whats up?

Weird, I just fired up the comp and I was thinkin how nuts it would be to hear from you guys. But I'm kinda psychic like that or something it seems. Anyways, I came up to Canada from Phoenix to join the militia, but the asthma fucked me even though the guys said it wouldn't before I moved, they said because I was on perscriptions I couldn't join. Bastards. So I took a computer trade, got a few jobs, now I'm unemployed and looking. Need an apartment, stayin at a friends for a couple days cause I got the boots put to me here (again). Prolly go back to school, community college for a couple years then university, might do it in Maine where my dad is now, or Georgia where my half-brother lives. But in the mean time I smoke a bit here and there and this that and the other, you know how it is. Well I gotta get out of my ex-house before the stepdad comes home (bastard) and I have to beat him with bats and stuff, you know how it goes. Say hi to Harrison, and your mom.

Keep your pants on,  
Steve

Holy crap! I haven't heard from you in like 10 years! ...OK, more like 3 or 4 but still a long time. So I was just going through my Contact list and I saw your name--Geez! Haven't talked to him in a LONG time!

Anywho, I'm still going to Lewis-Clark State College... STILL a criminal justice major. STILL working at Arby's! :-) Yeah, it's kinda boring here in Idaho, go figure eh? I snuck out and took a road trip down to Boise the other weekend. I'm hoping that doesn't get out to my parents because they'll freak out for some reason and probably disown me or something... :-) Whatever.

So Harrison and I just turned 20! on February 5th. Holy crap! We're getting OLD!!! :-) LOL Anywho, so what have YOU been up to? I forget what you were trying to get into. Anyway, just wanted to see whats up and I guess I'll talk to you later!
