WEATHER

Global Warming for Profit

Faced with the loss of icebergs off their coast, the people of Newfoundland have discovered that it's not hard to make a fair to middlin' substitute out of fibreglass and paint.

SPORTS

Full Contact Curling

After being checked hard into the house during a 'friendly' last night, gold medalist Russ Howard is expected to be out of action for a week with a lower body injury.

ARTS

Even More Beachcombers

There's no end to the laughter as Jackson Davies and his wacky cohorts travel once again to BC's magnificent Sunshine Coast. Constable Constable and friends encounter some zany hijinks that are sure to have you rolling in the aisles. Coming to CBC this fall.

TECHNOLOGY

Foolproof Alien ID Cards

Martians trying to sneak into the country over the U.S. border are in for a nasty surprise. Scientists at UBC have perfected a new technology that can distinguish the differences between visitors arriving from Mars and Seattle in under 2.3 seconds.

All new for 2016:

The **Ballard / Bombardier Stealth 3000**

Noiselessly converts lawn clippings into high-grade sweet crude as you drive. At \$425 per barrel, can you afford not to drive the new **Stealth 3000?**

Test drive the all-new Stealth 3000 at your nearby Ballard / Bombardier dealership today!
