Northern Ontario Virtual Library (www.novl.ca) provides northern health care professionals with 24/7 virtual access to a selected suite of Ovid biomedical databases, full text journals and textbooks and MD Consult. Northern Ontario health professionals who do not have access to health information services locally should contact NOVL for traditional library services, including document delivery, mediated literature searching, current awareness, reference and consultation.

Community Development Officers (CDOs)

CDOs facilitate and co-ordinate the independent recruitment initiatives of physicians, by communities, government agencies and other stakeholders to address regional physician health human resources issues.
