IN BRIEF

- ▶ Any financial assistance to which you are entitled under the Loans Program for Part-Time Studies will be awarded in the form of a loan on a per-term basis.
- ► The loan will cover your education expenses (tuition fees and the cost of books and supplies) and childcare expenses, if applicable.
- You may apply for a loan for part-time studies if:
 - you are a Canadian citizen, or a permanent resident, refugee or protected person within the meaning of the *Immigration and Refugee Protection Act*
 - you are considered a part-time student (see box below)
 - you are taking courses at a recognized educational institution in Québec (see list on pages 11 and 12)

To be considered a **part-time student** at an educational institution for a given term, you must be enrolled for the following number of courses, credits or course hours:

College:

- 76 to 179 course hours OR
- 2 or 3 courses

University (bachelor's, master's or doctoral program):

- 6 to 11 credits
- Aide financière aux études (AFE), the student financial assistance unit, will take into account all of your income for taxation year 2005 (January 1 to December 31) to determine whether you qualify for a loan for part-time studies. Your income will be combined with that of your spouse, parents or sponsor, if applicable. To see whether you qualify for the program, please complete the "Eligibility" work chart on pages 2 and 3.
- You are not required to provide supporting documents with your application, except if you do not have a permanent code.

If you are a student and a single parent living with your child who is under age 12

If you are at least 20 weeks pregnant

If you have a spouse and are living with your child who is under age 6

Do you have a major functional disability?

Then, you may qualify for the Loans and Bursaries Program for Full-Time Studies rather than the Loans Program for Part-Time Studies, even though you are studying part-time. The Loans and Bursaries Program covers living expenses, among other types of expenses.

If you qualify for and choose to file an application under the Loans and Bursaries Program, you must complete an *Application for Financial Assistance* form. This form is available from the financial assistance office at your educational institution or on our Web site at <www.afe.gouv.qc.ca/english>. For details on eligibility requirements for this program, contact the financial assistance office at your educational institution.

NOTE

If part of your education or childcare expenses are covered by another government body

If another government body such as Emploi-Québec or the Ministère de l'Emploi et de la Solidarité sociale is covering your education or childcare expenses for a given term, you do not qualify for the Loans Program for Part-Time Studies for that term.

If you are already receiving financial assistance under the Loans and Bursaries Program

You cannot apply for a loan under the Loans Program for Part-Time Studies. You are not entitled to assistance under both programs (part-time and full-time) for the same term.

AM I ENTITLED TO A LOAN?

Your eligibility is determined on the basis of your income (line 199 of your 2005 Québec income tax return) and the income of your spouse, parents or sponsor, if applicable (see page 6 for the definition of "spouse"). To find out

whether you qualify for a loan, complete the work chart below. Enter the amount appearing on line 199 of your Québec income tax return in the appropriate space.

IS THE NUMBER OF DEPENDENT CHILDREN I HAVE TAKEN INTO ACCOUNT?

Yes. Increments are added to the eligibility ceiling (\$35 000 or \$50 000, depending on your situation) in order to take into account your family responsibilities. Add \$2 600 for the first dependent child and \$2 400 for each additional dependent child. If you are a single parent, add another \$1 995.

Example: Alex is married and has three children. In his case, the eligibility ceiling is calculated as follows:

 $\$50\ 000$ (student considered to be receiving support from his spouse)

- +\$ 2 600 (1st child)
- +\$ 4 800 (2 more children)

\$57 400

If his and his spouse's combined incomes amount to less than \$57 400, Alex qualifies for the Loans Program for Part-Time Studies.

To be considered a dependent, your child must be single, not have any children and:

- be under 18 years of age
- be 18 years of age or over, studying full-time and deemed to be living with you
- be 18 years of age or over, studying full-time and not living with you if you are contributing toward the cost of his or her education

HOW MUCH OF A LOAN WILL I GET?

To find out, complete the work chart below.

Education expenses are determined on the basis of the level of education. The number of credits or course hours is multiplied by a fixed amount that covers all education expenses (tuition fees, the cost of textbooks and supplies, and miscellaneous fees such as registration and admission fees). You are allowed an amount for childcare expenses if your child is under 12 years of age or if your child is 12 years of age or older and has a major functional disability or mental disorder. A major functional disability is a handicap that significantly and persistently limits the child's ability to carry out daily activities. In either case, you will be allowed an additional \$490 per term per dependent child for childcare expenses.

QUESTIONS V	ANSWERS V
► WILL I GET AN ANSWER SOON?	Your application will be processed as quickly as possible. AFE will then send you a decision notice by mail. This notice will tell you the loan amount you have been awarded. If you have provided an e-mail address, you will receive an e-mail message inviting you to go to the AFE Web site, under <i>On-Line Access to Your File!</i> in order to see your decision notice.
	If you do not qualify for financial assistance, you will still receive a decision notice stating the reason(s) for the refusal.
► WHAT'S THE APPLICATION DEADLINE?	The Loan for Part-Time Studies application form and schedules 1TP and 2TP, if applicable, must be received by AFE no later than 60 days after the end of the last month of your recognized studies for the award year in question.
► WILL MY APPLICATION REMAIN CONFIDENTIAL?	Yes. The only persons who have access to the information provided in your application form are those staff members who need it in order to perform their job duties.
► WHAT IF MY SITUATION CHANGES DURING THE TERM?	You must file a <i>Part-Time Studies Loan Application Update</i> form. This form may be obtained from the financial assistance office at your educational institution or on AFE's Web site at <www.afe.gouv.qc.ca english="">.</www.afe.gouv.qc.ca>
► HOW WILL I GET MY GUARANTEE CERTIFICATE?	Your educational institution will give you an envelope containing your <i>Guarantee Certificate</i> , among other things. In order for the financial assistance to which you are entitled to be deposited directly into your bank account, you must then submit all of the documents contained in your envelope to your financial institution.
► WHAT IF AFE HAS HAD TO REPAY MY FINANCIAL INSTITUTION FOR MY PREVIOUS STUDENT LOANS?	You will qualify for a loan for part-time studies only once you have paid back 50% of your student loan debt. You must also sign an acknowledgment of debt (IOU) for the balance still owing.

GUIDE

- **1.** Fill out all the sections of the 2006-2007 Loan for Part-Time Studies application form.

You may be asked to provide supporting documents at a later date should AFE audit your file. You should therefore be prepared to back up all the information you provide in the application form and schedules.

SECTION 1: STUDENT'S PERSONAL INFORMATION

What if I move during the year?

All correspondence will be sent to the address you provide in this section. If your address changes during the year, you must notify the person in charge of the financial assistance office at your educational institution or AFE as soon as possible by filling out a *Part-Time Studies Loan Application Update* form.

What if I don't have a permanent code?

If you were never assigned a permanent code by the Ministère de l'Éducation, du Loisir et du Sport, refer to the table to the right to find out which documents you must submit along with your application. SECTION 4: STUDENT'S SITUATION

How is my situation determined?

AFE uses the information you provide in this section to determine your situation, i.e. whether you are:

- an independent student
- a student receiving financial support from his or her parents or sponsor
- a student receiving financial support from his or her spouse

A) DEFINITIONS

Legally separated: You were once legally married or in a civil union but have obtained a court judgment granting you a legal separation.

De facto separated: You are legally married or in a civil union and are now separated but have not obtained a court judgment.

Biological or adoptive parent of a child: You have or had a child of your own (whether the child is living or deceased). You are the adoptive parent of a child if you have legally adopted a child.

Single parent: You do not have a spouse and have custody of at least one dependent child (your own), who is living with you. You cannot be a single parent if you are not a biological or adoptive parent.

Spouse: Your spouse is the person to whom you are married or with whom you are in a civil union.

De facto spouse: You are a de facto spouse if you are living with a partner of the opposite sex or the same sex without being married or in a civil union, and with at least one dependent child (either your own or your spouse's).

SECTION 4: STUDENT'S SITUATION (CONT.)

Sponsor: The sponsor is the person, other than a parent or spouse, who agreed to provide for the basic needs of the student when he or she obtained permanent resident status. The sponsor is not a guardian or tutor, but rather the person held accountable for the student under the *Immigration and Refugee Protection Act.* In keeping with this Act, a Canadian citizen by birth cannot have a sponsor.

Dependent child: A dependent child is single, does not have any children of his or her own and is:

- under 18 years of age
- 18 years of age or over, studying full-time and deemed to be living with his or her parents
- 18 years of age or over, studying full-time and not living with his or her parents if they are expected to contribute toward the cost of his or her education

Civil union: A civil union is a public commitment made by two people who wish to live together. They must consent in public, before a competent celebrant. The civil union is recorded in an act of civil union.

B) INDEPENDENT STUDENT

If you are single and none of the first three statements in Section 4b of the form applies to you, you must be in one of the situations listed below to be regarded as not receiving financial support from your parents or sponsor.

If one of these situations applies to you, **check box** ③ **in Section 4 of the form** and give the date on which the situation began to apply.

NOTE

If more than one situation applies to you, give the starting date for the situation that you have been in the longest.

- ☐ You have earned 90 credits toward a single degree (i.e. in the same program) at a Québec university (three years of study).
- ☐ You have earned 90 credits toward a single degree (i.e. in the same program) at a university outside Québec (four years of study or if you hold a Diploma of College Studies, three years of study).
- ☐ You hold a bachelor's degree or the equivalent from an institution outside Québec.
- ☐ You are studying toward a master's or doctoral degree but do not have a bachelor's degree.

- ☐ You hold a Level I graduate diploma in music (Diplôme d'études supérieures en musique I) or an attestation issued upon completion of three years of training at a Québec music or drama conservatory.
- ☐ You are or have been the biological or adoptive parent of a child.
- ☐ You are single and both your parents are deceased (or your sponsor is deceased).
- ☐ You have not studied full-time for at least seven years since the date on which you were no longer required by law to attend school.
- ☐ Your spouse cannot be located.

You do not have to submit Schedule 1TP. You must, however, provide details in writing, or the processing of your application may be delayed.

- ☐ You are single and one of the following exceptional family situations applies to you:
 - You have been placed in a foster home.
 - You have been placed in the custody of a guardian.
 - Your parents (or sponsor) cannot be located.
 - · Your family situation has deteriorated.
- ☐ You have been in one or both of the following situations for a total period of at least 24 months, not counting any time during which you attended an educational institution on a full-time basis:
 - You have supported yourself while living elsewhere than with your parents or sponsor.
 - You have held a paid job or have received employment insurance benefits, income replacement benefits from the CSST or SAAQ or income replacement benefits for crime victims or persons decorated for acts of good citizenship.

NOTE

You may have been in different situations during this 24-month period. For example, you may have had a paid job with a company for 10 months, have received employment insurance benefits for 2 months, have received employment assistance benefits (have supported yourself) for 4 months while living elsewhere than with your parents, have held another paid job with a company for 6 months, and have received income replacement benefits (CSST) for 2 months, without ever studying full-time.

SECTION 5: STUDENT'S OR SPOUSE'S DEPENDENT CHILDREN

Do I have to list all of my dependent children in this section?

AFE takes the number of dependent children you have into account in calculating allowable childcare expenses and determining the applicable eligibility ceiling.

When assessing the amount to be awarded a student for childcare expenses, AFE considers children under 12 years of age and those 12 years of age or over if they have a major functional disability or mental disorder.

For AFE to consider your dependent children when determining your eligibility ceiling, you must list all of your children who are single, do not themselves have any children and are:

- under 18 years of age
- 18 years of age or over, studying full-time and deemed to be living with you
- 18 years of age or over, studying full-time and not living with you if you are expected to contribute toward the cost of their education

NOTE

To claim childcare expenses for children 12 years of age or over with a major functional disability or mental disorder, you must file a *Part-Time Studies Loan Application Update* form. You must also list the names of these children on the present form.

SECTION 6: STUDENT'S INCOME

You must report your total income as given on line 199 of your 2005 Québec income tax return. The income reported in this section is systematically checked against the information on file at Revenu Québec.

What if I didn't file an income tax return for 2005?

Enter the total amount that you have earned and would have entered on line 199 had you filed a Québec income tax return for 2005 (January 1 to December 31).

What income is taken into account?

AFE takes into account your family income (for taxation year 2005) to determine whether you qualify for the Loans Program for Part-Time Studies. The definition of "family income" varies depending on your situation (as determined in the "Eligibility" work chart on pages 2 and 3).

- If you are single and are considered independent:
 Family income = your income as reported on line 199 of your Québec income tax return
- **2.** If you are considered to be receiving financial support from your parents (or sponsor):

Family income = your income + your parents' income, that of the person (mother or father) with whom you reside or last resided or your sponsor's income.

3. If you are considered to be receiving financial support from your spouse:

Family income = your income + your spouse's income

My income is lower this year than it was last year. Will AFE take this into account?

Yes, AFE will take this into account if your family income for this year has dropped by at least 10% compared with last year.

You must enter your projected income for the current year in Section 6b of the form for AFE to be able to determine whether your family income has dropped by at least 10% compared with last year.

NOTE

The family income is based on the income earned in the **SAME** year by each of the persons concerned.

SECTION 8: STUDENT'S SIGNATURE

Your application will be processed only if it is signed by you.

SCHEDULE 1TP—Student's Spouse

SECTION 2: SPOUSE'S INCOME

Your spouse must report his or her total income as given on line 199 of his or her 2005 Québec income tax return. The income reported in this section is systematically checked against the information on file at Revenu Québec.

What if my spouse didn't file an income tax return for 2005?

He or she must enter the total amount that he or she has earned and would have entered on line 199 had he or she filed a Québec income tax return for 2005 (January 1 to December 31).

You are not required to have your spouse complete Schedule 1TP if you are a naturalized Canadian citizen or permanent resident and your spouse lives outside Canada.

What income is taken into account?

AFE takes into account your family income (for taxation year 2005) to determine whether you qualify for the Loans

Program for Part-Time Studies. In this particular case, "family income" refers to your own and your spouse's combined incomes.

My spouse's income is lower this year than it was last year. Will AFE take this into account?

Yes, AFE will take this into account if your family income for this year has dropped by at least 10% compared with last year.

Your spouse must enter his or her projected income for the current year in Section 2b of Schedule 1TP for AFE to be able to determine whether your family income has dropped by at least 10% compared with last year.

SECTION 4: SPOUSE'S SIGNATURE

Your application will be processed only if the schedule is signed by your spouse.

SCHEDULE 2TP—Student's Parents or Sponsor

SECTION 1: STUDENT CUSTODY

Who must complete the schedule?

This schedule must be completed by your parents (biological or adoptive) or your sponsor.

Which box should I check for physical custody?

If your biological or adoptive parents live together, they must check "Both parents."

If your parents are divorced, legally or de facto separated, or if one of your parents is deceased, the person with whom you reside or last resided must check "Father" or "Mother," as the case may be.

You are a naturalized Canadian citizen or permanent resident and your parents live outside Canada.

If, in accordance with the *Immigration and Refugee Protection Act*, a sponsor agreed to provide for your basic needs when you obtained permanent resident status, he or she must check "Sponsor" and complete Schedule 2TP.

If you do not have a sponsor, you are not required to submit Schedule 2TP.

SECTION 3: PARENT' (OR SPONSOR'S) INCOME

Your parents (or sponsor) must report their total income as given on line 199 of their Québec income tax return for 2005. The income reported in this section is systematically checked against the information on file at Revenu Québec.

What if my parents (or sponsor) didn't file an income tax return for 2005?

They must enter the total amount that they have earned and would have entered on line 199 had they filed a Québec income tax return for 2005 (January 1 to December 31).

What income is taken into account?

AFE takes into account the family income (for taxation year 2005) to determine whether you qualify for the Loans Program for Part-Time Studies. In this particular case, "family income" refers to your income plus your parent's income, that of the person (mother or father) with whom you reside or last resided or your sponsor's income.

My parents' (or sponsor's) income is lower this year than it was last year. Will AFE take this into account?

Yes, AFE will take this into account if your family income for this year has dropped by at least 10% compared with last year.

Your parents (or sponsor) must enter their projected income for the current year in Section 3b of Schedule 2TP for AFE to be able to determine whether your family income has dropped by at least 10% compared with last year.

SECTION 5: PARENTS' OR SPONSOR'S SIGNATURE

Your application will be processed only if the schedule is signed by your parents or sponsor.
