Daily Bread Food Bank is proud to partner with CBC Radio for the release of *Sounds of the Season*. We have been fortunate to be the beneficiary of CBC's goodwill over the holiday season for many years. And this year we are thrilled about the holiday music collection that features an all-star cast of Canadian talent.

It is so important for us at Daily Bread to have relationships like the one we have with CBC Radio. They have helped us spread awareness about the fight against hunger in the GTA and raise much-needed funds and food. Bringing about an understanding of poverty and hunger issues to the community is the only way to mobilize concerned citizens to action.

It is an honour to attend the release of this much-anticipated holiday music collection. We sincerely hope that the public will purchase and enjoy *Sounds of the Season* to support both the work we do at Daily Bread Food Bank and the talented artists featured on the CD.

Sincerely,

A handwritten signature in black ink that reads "Gail Nyberg". The signature is written in a cursive style with a large, looping initial "G".

Gail Nyberg
