

e-Tenure Times

Issue 10

February 23, 2005

Phase One – e-Transfers (implemented)

- Oil sands and P&NG paper transfers received after **December 31, 2004** are being returned unregistered, with a few exceptions.
- The search function for up to 1,000 agreements is now operational.
- A new feature has been added to allow a Creator to cancel a transfer in concurrence, should a party involved in a transfer refuse to concur.

Phase Two – e-Postings

- There are only 35 days until the launch of e-Postings.
- The **only** way to post lands on or after **March 30, 2005** will be by using the e-Postings system.
- Sign up now for access to e-Postings (or amend your current ETS account) by filling out and faxing in the *Electronic Transfer System (ETS) Account Set Up Form* found at: www.energy.gov.ab.ca.
- Client accounts and their associated roles for e-Posting may be set up starting March 14, 2005.

Phase Three – e-Bidding

- Development for e-Bidding is now in the works.
- e-Bidding will be mandatory when launched (anticipated date of **March 2006**).
- If you wish to participate in developing e-Bidding please contact Brenda Allbright (Brenda.Allbright@gov.ab.ca), or Retha Purkis (Retha.purkis@gov.ab.ca).
