## About this report

This workforce profile provides information about human resources in the New Brunswick public service, which includes employees working in departments, school districts and regional health authorities. Crown corporations are not included in the profile.

This profile presents statistical information on key characteristics of the GNB workforce with information derived from the respective human resource/ payroll systems in Parts I, II and III.

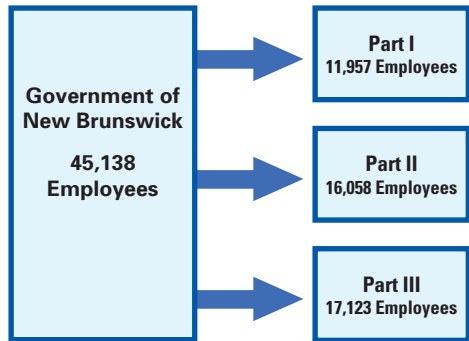

## Structure of the GNB Public Service

Provincial government employees work in three parts of the public service. Part I includes the departments, which are often referred to as the Civil Service. Part II is comprised of the school system including teachers, bus drivers and school district employees. Part III encompasses the hospital system employees including nurses and other hospital employees.

## Number of Employees as of December 31 in Parts I, II and III

There were 45,138 paid employees in Parts I, II and III of the New Brunswick Public Service as of December 31, 2005. Part I had 11,957 representing 26 per cent of the workforce, Part II had 16,058, which was 36 per cent and Part III had 17,123 that accounted for 38 per cent.

The chart shows the number of public service employees as of December 31, 2005 for Parts I, II and III.

	December 31, 2002	December 31, 2003	December 31, 2004	December 31, 2005
<b>Part I</b>	12,102	12,148	11,846	11,957
<b>Part II</b>	16,105	15,922	15,708	16,058
<b>Part III</b>	16,138	16,541	16,736	17,123
<b>Total</b>	44,345	44,611	44,290	45,138

## Permanent and Temporary Employees as of December 31 in Parts I, II and III

Permanent employees made up 81 per cent of the public service workforce while 19 per cent were temporary employees as of December 31, 2005.
